shaken not stirred takes on new meaning it this second installment in the modern day western mystery series by carl and jane bock their writing reflects solid knowledge of arizona and its denizen and their storytelling is as sharp as a serpent's tooth nicolas gilmartin teranzi online critics corner there is a killer at large in the oak grasslands of southeastern arizona whose weapon of choice is a deadly variety of southwestern rattlesnake deputy sheriff calvin creede doesn't like snakes but with the help of veteran herpetologist dr hazel smith and his fiancé maria obregon he seeks to find the mountain cave from which a collection of mojave rattlesnakes recently was looted then he must determine which of a variety of suspects has taken them home in this the second installment of arizona borderland mysteries carl and jane bock continue their story about a deputy sheriff in an isolated corner of arizona's smallest county it is a land once dominated by a few cowboys and their cattle but deputy creede finds his job increasingly complicated by the trappings of southwestern exurbia including vineyards drugs border tension and high end housing developments

pickup and sports utility vehicle seem like quaint names for these workhorses more and more they're what people tune up, trick out and take on the road or off. This book aims to help drivers make the most of their machines with 101 projects running the gamut from installing light bars and brush guards to gearing up for hard-core horsepower and high performance feats. This book will show truck and SUV owners of all stripes how to personalize their rides. 101 performance projects for your pickup and SUV offers easy-to-follow, clearly illustrated how-to information on everything from appearance modifications to more extensive upgrades with plenty of instructions for the many bolt-on solutions that are available in the marketplace. Planning tools, expenses, pros and cons: it's all here. The author walks owners through the nuts and bolts of lowering and lift kits, running boards and in-car entertainment systems, winches, wheels and tires and the full range of installations and accessories that will take a truck or an SUV to the next level.

As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality control problems, *Lemon Aid* guides the confused and anxious buyer through the economic meltdown. Unlike any other car and truck books on the market, Phil Edmonston, Canada's automotive Dr. Phil for more than 40 years, pulls no punches in this all-new guide. He says Chrysler's days are numbered with the dubious help of Fiat; electric cars and ethanol power are PR gimmicks; diesel and natural gas are the future; be wary of zombie vehicles; Jaguar, Land Rover, Saab and Volvo Mercedes-Benz: rich cars, poor quality. There's only one Saturn you should buy: Toyota. Enough apologies when you mess up. Fess up.

A forbidden love is no longer complicated; it has now become a dangerous affair. Before their happily ever after can even begin, Desiree and Derrik are involved in a near-fatal car accident that leaves them both fighting for their lives. Weeks later, Desiree discovers Derrik survived but is dealt an unsuspecting blow: he can't remember she's more to him than just a friend. Desiree is determined to show Derrik how their friendship evolved and how they became lovers, but she underestimates the chance of history repeating itself. There are unforeseen forces threatening to sabotage their relationship: with jealousies, brewing greed, growing past lovers scheming, and chaos coming from all directions, will Desiree and Derrik finally be together when the darkness from Desiree's past collides with her future? It may prove deadly. This is the conclusion to the *Enough* series.
