### I Understanding the Context: Wojnarowicz and the 1980s

Before delving into 7 Miles a Second, it's crucial to understand the sociopolitical climate that shaped its creation. The 1980s saw the devastating impact of the AIDS epidemic coupled with rampant homophobia and governmental inaction. Wojnarowicz himself, an artist living with AIDS, channeled his rage, grief, and political consciousness into his art. His work directly confronted these issues, often employing provocative imagery and unflinching honesty. Understanding this context is essential for interpreting the visceral intensity of 7 Miles a Second.
