what ever happened to the virgin mary in the modern catholic church for the past forty years her presence has been radically minimized in a groundbreaking work charlene spretnak cuts across the battle lines delineated by the left and the right within the church to champion the recovery of the full spiritual presence of mary spretnak a liberal catholic sheds new light on the dethroning of the queen of heaven at vatican ii and she traces the rise of a grassroots resurgence of marian spirituality in recent years she offers fresh reflections on the meaning of mary situating the marian renewal in the larger context of contemporary efforts to correct the barrenness and sterility of modernity spretnak also notes that much of the cosmological symbolism traditionally associated with mary as the queen of heaven and the maternal matrix is simpatico with recent discoveries in scientific cosmology about the profoundly relational nature of the creation moreover spretnak asserts that a deep loss ensues for women in particular when mary s female embodiment of grace and mystical presence is denied and replaced with a strictly text bound version of her as a nazarene housewife complete with a striking insert of contemporary marian art missing mary is a deeply insightful reflection on mary in the modern age

people have been told for years that christianity is a religion do to it having rituals and religious like aspects but what people don t realize is that christianity is a one on one personal relationship with jehova god religion is a twofold word that simply means to re connect or to bind back to in which works righteousness is involved christianity has a savior his name is jesus christ religion does not offer a savior and those that would are counterfeits of the true plan of god religion offers no hope and comes in many forms but yet is all the same in essence christianity is not diverse and should not be considered a religion because there is only one true god who is the god of the born again first to the jew and then to the greek gentiles this book will delve you into a spiral of truths that not very many will likely want to understand at first and will cause possible anger but the upside to this is to get you to understand that in order for christianity to stand alone it cannot retain works before faith the faith in christ jesus has to happen first by just simply believing in what he has done on the cross and believe on his name religion offers no hope and no redemption for sins

this book is to explain to all generations of faithful the truth of mary s words because he hath regarded the humility of his handmaid for behold from henceforth all generations shall call me blessed it is to show that if god truly exalts the humble as many bible passages remind us that he does then he exalted mary in heaven as st john was eyewitness to in revelation chapter 12 revelation chapter 12 is studied in detail in chapter 1 in this book and it is proven it can only be mary like in many passages where scripture says to bless the lord and it means praise the lord s blessed name likewise we are taught to praise mother mary s blessed name she being that unique woman of proverbs 31 who fears the lord and is thus to be praised in a special way her children arise and call her blessed her husband too and he praises her this book is written dear reader to help you experience for yourself the living presence and maternal love of mama mary after the first book hopefully led you to experience the living presence and paternal love of lord jesus miracles in marian shrines are also mentioned which should help anyone even from a non christian background come to faith in and love for lord jesus and mother mary she is for all just as this book is for all for 1 catholics 2 orthodox and 3 protestants within christians and then among non christians 1 jews 2 hindus 3 muslims 4 buddhists 5 sikhs 6 jains 7 and all other non christians mary loves you and will be among the first to greet you and place a crown rev 2 10 rev 12 1 on your head if you accept her son as lord and accept his baptism and die as a good christian after a life of grace faith and love and let us christians having accepted jesus as lord and his baptism also accept mary as mother queen and personal intercessor and christ s body and blood in holy communion
