the tibetan book of the great liberation which was unknown to the western world until its first publication in 1954 speaks to the quintessence of the supreme path or mah ay ana and fully reveals the yogic method of attaining enlightenment such attainment can happen as shown here by means of knowing the one mind the cosmic all consciousness without recourse to the postures breathings and other techniques associated with the lower yogas the original text for this volume belongs to the bardo thödol series of treatises concerning various ways of achieving transcendence a series that figures into the tantric school of the mah ay ana authorship of this particular volume is attributed to the legendary padma sambhava who journeyed from india to tibet in the 8th century as the story goes at the invitation of a tibetan king padma sambhava s text per se is preceded by an account of the great guru s own life and secret doctrines it is followed by the testamentary teachings of the guru phadampa sangay which are meant to augment the thought of the other gurus discussed herein still more useful supplementary material will be found in the book s introductory remarks by its editor evans wentz and by the eminent psychoanalyst c g jung the former presents a 100 page general introduction that explains several key names and notions such as nirv ana for starters with the lucidity ease and sagacity that are this scholar s hallmark the latter offers a psychological commentary that weighs the differences between eastern and western modes of thought before equating the collective

unconscious with the enlightened mind of the buddhist as with the other three volumes in the late evans wentz s critically acclaimed tibetan series all four of which are being published by oxford in new editions this book also features a new foreword by donald s lopez

an anthology of the most inspiring and instructive texts on spiritual enlightenment from great tibetan masters handpicked by a best selling author and tibetan buddhist monk buddhist monk matthieu ricard has selected and translated some of the most profound and inspiring teachings from the eight traditions of tibetan buddhism the selected teachings are from the buddha himself nagarjuna guru rinpoche atisha shantideva and asanga the great masters of the past thogme zangpo the fifth dalai lama milarepa longchenpa and sakya pandita and contemporary masters including the fourteenth dalai lama and mingyur rinpoche the teachings address such topics as the nature of the mind the foundations of taking refuge generating altruistic compassion acquiring merit and following a teacher view meditation and action how to remove obstacles and make progress on the buddhist path inspired by dilgo khyentse rinpoche ricard creates his anthology with khyentse s religious philosophy in mind when we come to appreciate the depth of the view of the eight great traditions of tibetan buddhism and also see that they all lead to the same goal without contradicting each other we think only ignorance can lead us to adopt a sectarian view

a memorable and vivid history lesson about a remote mysterious place that in terms of its sheer survival has implications for our own lives the times picayune over the course of three years journalist thomas laird spent more than sixty hours with his holiness the dalai lama in candid one on one interviews that ranged widely covering not only the history of tibet but science reincarnation and buddhism laird brings these meetings to life in this vibrant monumental work that outlines the essence of thousands of years of civilization myth and spirituality tibet s story is rich with tradition and filled with promise it begins with the bodhisattva chenrizi the holy one whose spirit

many tibetans believe resides within the dalai lama we learn the origins of buddhism and about the era of great tibetan emperors whose reign stretched from southwestern china to northern india his holiness introduces us to tibet s greatest yogis and meditation masters and explains how the institution of the dalai lama was founded laird explores with his holiness tibet s relations with the mongols the golden age under the great fifth dalai lama tibet s years under manchu overlords modern independence in the early twentieth century and the dalai lama s personal meetings with mao just before his holiness fled into exile in 1959 the story of tibet is a tenderly crafted study that is equal parts love letter traditional history and oral history publishers weekly captivating reading tricycle

the present book is a first attempt at exploring the sacred painting traditions of tibet from the mid 15th through 20th centuries on the basis of both the surviving pictorial remains and the extensive written sources that survive in the tibetan language the study of this period of tibetan art history has in effect been neglected in recent years in favor of the earliest periods yet the vast majority of extant masterpieces of tibetan buddhist painting belong to this more recent period and the relevant written and pictorial resources now available though they have never been fully utilized until now are in fact quite rich the present study attempts in the first place to identify the great founders of the main schools of tibetan painting and to locate references to their surviving works of sacred art through recourse to the artists own writings if available to the biographies of their main patrons and to other contemporaneous or nearly contemporaneous sources it has been possible to clarify many of the circumstances of the careers of such famous tibetan painters as sman bla don grub mkhyen brtse chen mo and nam mkha bkra shis who were the founders of the sman ris mkhyen ris and karma sgar bris traditions respectively for the convenience of students and researchers the book includes a survey of the main available tibetan sources and studies both traditional and modern as well as a detailed summary of previous western research on this subject it also

presents the texts and translations of the most important passages from the main traditional sources this richly illustrated volume also includes detailed indices and it will be an indispensable guide and reference work for anyone interested in tibetan art

a presentation of the tibetan buddhist vision of our journey to inner development which guides those who wish to think beyond the cycle of a conventional lifetime to achieve a greater and grander state of being

the great perfection rdzogs chen in tibetan is a philosophical and meditative teaching its inception is attributed to vairocana one of the first seven tibetan buddhist monks ordained at samye in the eight century and the doctrine is regarded among buddhists as the core of the teachings adhered to by the nyingmapa school whilst similarly it is held to be the fundamental teaching among the bonpos the non buddhist school in tibet after a historical introduction to tibetan buddhism and the bon the author deals with the legends of vairocana part i analysing early documents containing essential elements of the doctrine and comparing them with the ch'an tradition he goes on to explore in detail the development of the doctrine in the tenth and eleventh centuries and part ii the tantric doctrines that play an important role are dealt with as are the rdzogs chen theories in relation to the other major buddhist doctrines different trends in the rdzogs chen tradition are described in part iii the author has drawn his sources mainly from early unpublished documents which throw light on the origins and development at the same time also using a variety of sources which enabled him to explicate the crucial position which the doctrine occupies in tibetan religions

a historically isolated people the tibetans have now indeed come to the land of the red man and nearly every other country on earth when the chinese invaded the country in 1959 and proceeded to destroy the ancient wisdom culture as well as nearly a sixth of the

population hundreds of thousands of tibetans fled to india and parts west in the 1980s the prophecy was fulfilled and the dalai lama exiled leader of tibet met with hopi and other american indian elders in an effort to reunite the brothers tibet s spiritual elders are dying off and it is with them that so many of the secrets of survival lie they are the ones who can find by touching someone s wrist what our medicine cannot detect they saw the empty spaces of the atom before science considered the concept of subatomic particles they know how to realign even severe emotional imbalances without drugs or therapy they know what plants heal us they have catalogued more than two thousand and how to save them from destruction they predicted the demise of their own country at the hands of the chinese they saw the coming of aids almost ten centuries ago these people are dying off and with them the wisdom we need to make it through the next century and beyond after the chinese occupation of their country many tibetan elders were killed in reeducation camps many survived however to escape what has now become a brutally oppressive environment sandy johnson traveled around the world gathering the life stories and teachings of tibetan doctors the state oracle the previous dalai lama s tailor the great women masters the entire range of the culture an astrologer offers to produce sandy s chart including the date of her death a stone carver shows her the rocks with prayers painted on them that he places in the river at the end of every day so that the water may carry blessings to everything it touches johnson meets a woman of indeterminate age who lives her life in a cave praying that people might be less distracted by material things and learn to care for each other again at the same time johnson herself is on a spiritual quest and interwoven with the stories of the elders comes her own physical healing as well as a long awaited reconciliation with her family the book is filled with predictions made by the tibetan elders about the course of johnson s life most of which have already come true book jacket title summary field provided by blackwell north america inc all rights reserved
