recreates an opulent and ominous period in vienna s history showing ways in which public events affected the hearts and minds of the viennese people and the great artists and thinkers who lived among them

born in vienna in 1890 gertrud bodenwieser became a leading exponent of ausdruckstanz expressionist dance during the 1920s and 1930s developing a definitive personal style and a philosophy of dance that distinguished her from all her contemporaries in 1938 she emigrated to australia to start her career afresh with the remaining nucleus of her company from nazi occupied austria in this collection of writings initially compiled by bettina vernon and posthumously completed by her husband charles warren each contributor highlights bodenwieser s achievements from a different perspective with reminiscences from her pupils and company members together with scholarly studies

during a seven decade career that spanned from 19th century vienna to 1920s broadway to the golden age of hollywood three time academy award winner max steiner did more than any other composer to introduce and establish the language of film music indeed revered contemporary film composers like john williams and danny elfman use the same techniques that steiner himself perfected in his iconic work for such classics as casablanca king kong gone with the wind the searchers now voyager the astaire rogers musicals and over 200 other titles and steiner s private life was a drama all its own born into a legendary austrian theatrical dynasty he became one of hollywood s top paid composers but he was also constantly in debt the inevitable result of gambling financial mismanagement four marriages and the actions of his emotionally troubled son throughout his chaotic life steiner was buoyed by an innate optimism a quick wit and an instinctive gift for melody all of which would come to the fore as he met and worked with luminaries like richard strauss george gershwin irving berlin the warner bros david o selznick bette davis frank sinatra and frank capra in music by max steiner the first full biography of steiner author steven c smith interweaves the dramatic incidents of steiner s personal life with an accessible exploration of his composing methods and experiences bringing to life the previously untold story of a musical pioneer and master dramatist who helped create a vital new art with some of the greatest film scores in cinema history

the historian lonnie johnson provides in compact form a comprehensive overview of austria s rich past and present each chapter and subchapter approaches austria s diverse thousand year old heritage from a different perspective to illuminate its essential features in detailing austria s turbulent history from 1918 to the present controversial issues are presented objectively and without oversimplification overall the book conveys a differentiated picture of the country and its people which gives readers a feeling for the continuity and change of the austrian idea
