an extensive collection of significant documents covering all major and minor issues and events regarding terrorism government reports executive orders speeches court proceedings and position papers are presented in full text reprint oceana website

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

reviled as a fascist and zealot by libertarians and liberals but praised as a great patriot and devout man of god by many conservatives john ashcroft may have been the most powerful and polarizing attorney general in our nation s history looking past such oversimplified stereotypes nancy baker offers the first in depth study of ashcroft s controversial tenure as attorney general and as domestic commander in our campaign against global terrorism addressing new concerns about challenges to civil liberties in the wake of 9 11 baker provides a critical assessment of ashcroft s impact on national life within the context of an enormous expansion of presidential power baker depicts a man who even before 9 11 was in search of a mission and then found it in the war on terror she explores how ashcroft s counterterrorism actions eroded checks on executive power arguing that the attorney general used both

the formal and informal powers of his office to expand executive and law enforcement authority and did so at the additional expense of criminal procedural rights privacy rights and government transparency baker tells how the war against terrorism the unique legal policy role of the attorney general and ashcroft s presence in that office dramatically expanded the power and impact of executive power in domestic affairs she identifies ashcroft s rhetorical tactics that set his actions at odds with the public interest such as browbeating critics and marginalizing dissent and challenges the success claimed by ashcroft and his supporters in safeguarding america by documenting the justice department s lack of effectiveness in key prosecutions she also includes an enlightening analysis of the patriot act and its implications for both civil liberties and government power by documenting the ongoing importance of ashcroft s legacy a legacy now continued by alberto gonzalez baker shows how he dramatically changed the office and disrupted our constitutional system of divided and checked powers her close scrutiny of ashcroft s actions vividly highlights the role that an attorney general can play in shaping presidential power during national crises and provides a cautionary tale for anyone eager to protect our civil liberties

in the violent world of radical extremists the enemy of my enemy is my friend this study reveals how that precept plays out in the unexpected bonding between militant islam and the extreme right in america and europe it provides an insightful and sane look at the possibilities for collaboration between these groups

this well timed 2004 case supplement complements and updates national security law third edition with the addition of major new cases from the 2003 2004 u s supreme court term significant cases and issues include hamdi v rumsfeld rumsfeld v padilla the authority of the government to hold american citizens as enemy combatants decision expected in june humanitarian law project v reno first amendment limits on regulation of contributions to terrorist organizations united states v alvarez machain 1990 kidnapping by u s agents in mexico this case reviews questions about the roles of congress and the courts and about the application of international law as it refers to the nation s security united states v moussaoui aspects of the case of the twentieth 9 11 hijacker were addressed in a fourth circuit decision handed down in april 2004 and will be addressed in the new supplement homeland security act new documents regarding the act s organization and describing its work will be included 9 11 independent commission critically important questions about executive privilege sharing information between and within the intelligence and law enforcement communities and reorganization of the intelligence community
