too small to be big but also too big to be really small medium sized language communities mslcs face their own challenges in a rapidly globalising world where multilingualism and mobility seem to be eroding the old securities that the monolingual nation states provided the questions to be answered are numerous what are the main areas in which the position of these languages is actually threatened how do these societies manage their diversity both old and new has state machinery really become as irrelevant in terms of language policy as their portrayals often suggest this book explores the responses to these and other challenges by seven relatively successful mslcs so that their lessons can be applied more generally to other languages striving for long term survival

this volume explores the main challenges facing 7 well established medium sized language communities with regard to their survival and development at the beginning of the 21st century the book provides an in depth analysis of each case and reaches conclusions that are relevant to other cases and to language policy theory in general

this book presents research that seeks to understand students experiences of transnational mobility and transcultural interaction in the context of educational settings confronted with linguistic diversity
