much in the church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical this book critics

spiritual warfare teaching comparing it to the bible and offers a biblically reasoned discussion on spiritual warfare

second edition updated and revised a bible student reference a new testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before jesus christ returns in glory is being fulfilled now and is shortly to end yet christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that christ s return is therefore now almost upon us how and why this is the case is here explained thoroughly and logically with many examples directly from the word of god in god s saving plan for the world everyone must in time make a free will choice to become part of the israel of god in order to access eternal life in the kingdom of god the route to take is the strait and narrow way mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this israel embark on this voyage only if you are willing to be challenged about some basic christian preconceptions be a serious open minded bible student and trust what the bible teaches but remember that time is short what the bible has taught me i see as both vital and urgent for our eternal salvation yet i know of no church or individual theologian who teaches what this book deals with in any substantive way be prepared for major challenges to your understanding just as god has challenged me in the epistles paul refers to two israels whom he calls israel after the flesh i cor 10 18 and the israel of god gal 6 16 i focus mainly on the latter but i also explain an unexpected but critically important connection between them dependent on the teaching nearly all christian denominations either teach nothing at all on it or almost the opposite of what scripture repeatedly showed me looking back i find this absolutely staggering very few christians understand that the new covenant also only applies to israel as i will clearly show i no longer believe that the nt new testament can be fully understood without this extra israel dimension had i felt i could deliver this in a more light hearted way i would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

spiritual endowment for today s believer is possible this possibility is studied and compared to that of the early church fathers this journey to the reception of holy spirit enduement of the early pentecostal forefather was not short and instantaneous there is a waiting period that is observed and reported this book revisits the biblical significance of tarry s treatment in luke 24 49 the key principle of waiting on the timing of god s provision of power was commanded the promised enduement is necessary to accomplish the job description god has given all christians the reader will observe the results of a tarry presented to encounter the holy spirit experience the word for power that luke uses in

luke 24 49 and acts 1 8 reference that ability to do work acts 1 4 placed emphases on them not leaving jerusalem without the promise the potential value of this topic is in its impact on the reader s personal life the project conducts a hundred surveys interviews and research of historical tarry data the successful tarry as luke presents it will yield an authentic encounter with the promised holy spirit and the production of guidelines for christian mentors to tarry for endowment

presents an argument for multiracial christian congregations in breaking down racial barriers in the united states

witchcraft and exorcism have long been dominant features of life in african cultures this unique book provides a thorough field research based description and analysis of a specifically pentecostal christian response to these phenomena within the akan culture of ghana anthropological studies generally claim that the ultimate goal of exorcism is modernisation using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of god and to deliver people from their torment the deliverance ministry is one attempt to contextualise the gospel for african people however preoccupation with demonisation and exorcistic practices is found to bring christianity into tension with the akan culture family ties and other religions in order to develop a properly safeguarded ministry of exorcism in an african context the author examines contextualisation and suggests the integration into african christianity of divinatory consultation which has strong resonances with the biblical concept of prayer
