a wonderful highly comprehensive john barton author of a history of the bible global history of the world s best known and most influential book for christians the bible is a book inspired by god its eternal words are transmitted across the world by fallible human hands following jesus s departing instruction to go out into the world the bible has been a book in motion from its very beginnings and every community it has encountered has read heard and seen the bible through its own language and culture in the bible bruce gordon tells the astounding story of the bible s journey around the globe and across more than two thousand years showing how it has shaped and been shaped by changing beliefs and believers radically different needs the bible has been a tool for violence and oppression and it has expressed hopes for liberation god speaks with one voice but the people who receive it are scattered and divided found in desert monasteries and chinese house churches in byzantine cathedrals and guatemalan villages breathtakingly global in scope the bible tells the story of this sacred book through the stories of its many and diverse human encounters revealing not a static text but a living dynamic
