south america central america and the caribbean 2002 has been thoroughly revised and updated by europa's experienced editorial team the information included is as invaluable to those who know little of the region as it is to the seasoned businessman or academic it should be in the reference collections of public and academic libraries international organizations trade and industrial companies diplomats government and the media containing a wealth of up to date information on the 48 countries and territories of the region this reference provides a unique perspective on the region with its exhaustive collection of facts up to date statistics extensive directory details and expert comment

introductory surveys cover topics of regional importance individual country chapters include analysis statistics and directory information plus information on regional organizations

the concept of a preferential option for the poor calls for a special attention to the weakest members of a particular society such an option is a challenge for the ethics of science as well how can we pursue an option for the poor in the humanities can we do that without generating ideologies this volume gives an account of these questions representatives of sociology religious studies law economics theology history and philosophy try to answer this question it is manifest that the discussion of an option for the poor is also a matter of intellectual integrity

this book addresses the relationship between the russian federation and cuba from 1992 to

the present the period since the disintegration of the soviet union mervyn j bain analyzes the reasons why the relationship between havana and moscow continues to thrive even after the end of the cold war and the death of international socialism he argues that there are five main areas to be studied in order to understand why the russians and cubans have maintained close cultural and political ties well into the twenty first century bain first explores the effects the disintegration of the soviet union had on the relationship between moscow and havana in the years since 1992 he goes on to describe how the two countries have adapted or failed to adapt to the new world order and the ways in which their foreign policy have changed the shape of their dialogue with each other the third and fourth sections detail both the impact of globalization and the increased cultural economic and military exchange between russians and cubans bain concludes by showing readers the importance of placing the russian cuban relationship in an international context especially highlighting the influence of the united states over it this book will be of interest to those interested in post soviet russian foreign policy cuban foreign policy and international relations

paraguay is an under examined but remarkably fascinating country where war dictatorship and elite capture have produced cycles of popular mobilization and repression yet its social movements are less known to international audiences this book analyzes paraguay s principal social movements since the transition to democracy and examines how in the context of a weak state authoritarian political elite and a deficient democratization process they contribute to progressive policy socio economic development and democracy using critical perspectives in sociology anthropology geography and political science we bring together scholars activists and practitioners of social critique and community organizing they reflect on movements involving peasant indigenous and agrarian rights to land and livelihoods lgbtq and feminist struggles labor union struggles and student demands for access to quality education and social development while exploring how the particularisms of paraguay result in differences from other latin american movements and how overarching regional tendencies may explain the similarities this volume is the first english language book

on social movements in paraguay as such it aims to provide a deeper understanding paraguay s principal social movements since the transition to democracy this volume contributes to analyzing how social movements within the context of aweak state authoritarian political elite and a deficient democratization process contribute to progressive public policy socio economic development and democracy in addition this book focuses on how paraguayan social movements are similar to or different from their latin american counterparts how the particularism of paraguay explains these variations and how overarching regional tendencies explain the similarities the contribution of this volume is twofold to provide new empirical examples in the study of latin american social movements and their contribution to development and democracy as well as to validate or challenge social movement theories by employing empirical studies of paraguayan social movements each chapter delves into the background to a specific movement while closely analyzing the movement in the post lugo era 2012 2021 together the chapters in this book contribute to a better understanding of social movements in paraguay and latin america thus dialoguing with the existing literature and social movement theories and considering how such studies can further our understanding of social movements in paraguay and in latin america in general finally the study of different social movements within the paraguayan context takes into consideration the links that each movement has forged with other such movements in latin america including the contributions that paraguayan social movements have made to regional networks
