this carefully researched book is a significant addition to this vital field of knowledge it sets forth in fascinating detail the history from earliest recorded times of the black races of the middle east and africa

this is a comprehensive study of afrocentrist historical writing which places the black race at the centre of human history set against a broad background of creative histories from ancient times onward

god s timing is not our timing but the bible is clear that judgment will come america will be judged for its misdeeds one day it is the author s hope that people will re read the bible and encourage people to read this book to know that the author s goal is to first save souls and second save our country ideally we need to be in a financial position to help others to resolve problems in this country we must be honest and accept the truth to move forward most americans including the author need all their income to pay bills and have means to enjoy themselves the true minority in america is the rich who do not live paycheck to paycheck but

have either generational wealth or maximized their talents to become prosperous hopefully anyone who became rich did not compromise their morality or abuse misuse or oppress others for their personal gain if so pray that they repent our country is in trouble as compromised christianity atheism agnosticism and satanic influence is on the rise while bible believing christians are declining getting older and are dying off it has been said that those who ignore history repeat history dr martin luther king once stated that truth suppressed to earth shall rise again the author is here to talk about the truth that is rising in our time now

the case of history vs the tanakh and the bible is not about attacking anyone s faith it s about asking the basic questions most people never stop to ask if a book claims to record real events real people real timelines and real history then the evidence should back it up this volume puts the story under the light using the same standard of proof that historians archaeologists and scholars use for any other ancient text this is not the final answer to everything it s the beginning of the case the reader becomes the judge the evidence comes from credible researchers in archaeology ancient near eastern studies linguistics and history they raise serious questions about timelines historicity of kings battles and events that the bible presents as literal history this book asks does the historical record agree with the biblical record where do the timelines line up and where do they fall apart what claims can be supported and what claims remain unproven the goal isn t to force a conclusion but to open the case to lay out the documents the facts and the contradictions so the reader can see the difference between tradition and history this work is not meant to close the conversation it is meant to start it it hands the files over to the reader and simply says here is the evidence now you decide

it is written what had been hidden from the wise and prudent has now been made known to babes and suckling here s a book that has revealed the truth about the name of the god of creation and we cannot truly call upon the name of the lord as the bible entreats us to do if we don t know his name many people have written books about the name s of god and what s disheartening is that not one of those so called names is the revealed name of god

biblical ancestry voyage reveals facts of significant black characters in the holy bible of several ethnic groups of humankind especially people of color further to dispel the false notion that the holy bible was written for anglo saxon ethnic people this has been the status quo of the teaching almost worldwide as it relates to god s use of ethnic people listed in the holy bible i pray that this writing will saturate the minds and hearts of both young and old of every ethnic group of the human race in respect to god s crown of his creation mankind my spiritual gift of teaching preaching under shepherding symposium leader and writing has been a labor of love for over sixty two years designed for the extension of the kingdom of god my goal is to accurately portray and exegete from an ancestry point of view and biblical interpretation of the bible s message pointing to biblical characters of color no matter their skin pigmentation this truth has been distorted for many years causing millions of ethnic people to feel left out of the divine design of god almighty the force of my biblical episcopate ministry is in the area of shaping the hopes and hurts success and failures joys and sorrows of the saints of my parish flock as well as others i envision as a part of my divine commission to be an encouraging cheerleader for the affluent and the downtrodden throughout their life and a confidant for their triumphs the righteous acts that we do for god give him pleasure until he comes i am serving christ joyfully bishop dr wm larue dillard
