our modern world is dominated by giant media companies and increasingly they don t so much sell story characters or gameplay as they do their setting fictional worlds are big business and represent big value to companies and audiences alike and they are increasingly expected and demanded by both as yet however the art of building worlds has been only taught to writers of novels or films the same worlds are frequently used across different modes of media but successfully adapting them to games or building them for this purpose requires a specific approach unlike all other artforms games mandate participation with the audience stepping into the world of the game and taking on the roles that the rules and pieces demand of them likewise whenever an audience engages with a fictional world they are inherently playing a game of make believe and imagining themselves within a different context this makes world building and gaming a perfect match with each element giving more power to the other this book unlocks exactly how the two disciplines are entwined and work together and how a designer can harness that synergy to the best effect the text is composed of short focused chapters that explain every step of building a compelling world from getting your first ideas to moving towards publication it also provides a deeper understanding of the how and why of world creation and why worlds have so much power over us as players and as people covers every step of world creation from getting ideas to seeking publication a comprehensive analysis of the field inspirational tricks

to break blocks or find new angles practical exercises at the end of every chapter simple and accessible for every kind of game or game designer

hollywood s favourite action hero after an exhilarating ten years jason statham has finally confirmed his place in the hollywood elite and starring alongside his childhood heroes stallone schwarznegger willis and jet li it is hard to imagine him anywhere else born in south london jason statham has always been an action man as a boy jason chose not to follow in the footsteps of his parents and instead cultivated his thirst for adrenaline in athletics and diving a skill that took him to the world championships in 1992 but it was on the athleactics track that he was first discovered by a modelling scout for tommy hilfiger and french connection which eventually led jason to the then fledgling director guy ritchie a string of hollywood blockbusters lock stock revolver snatch followed but perhaps his best known role came in 2002 when jason was cast as frank martin in the transporter statham s background in martial arts defies the norm of the action hero as he performs his own scenes and stunts in some of hollywood s most death defying action scenes a huge box office hit the transporter spawned two sequels and has earned the reputation of a cult classic len brown s biography is an insightful comprehensive and gripping account of britain s all action hero
