this volume collects articles on the law of armed conflict and the use of force from the max planck encyclopedia of public international law to facilitate easy access to content from the leading reference work in international law

excerpt from our rights and duties manual of law and business forms for several years the writer conducted in the michigan farmer and subsequently in the american agriculturist a department in which the law of the farm was set forth in a series of short articles and answers were given to inquiries by subscribers upon legal questions arising in the experiences of farm life during that time the suggestion was frequently made to him that if the articles and the questions with their answers could be embodied in connected form they would make a book of practical use to farmers and the industrial classes generally the present volume is in part the result of that suggestion and while it is sought to give special prominence to those subjects which are of most common importance among farmers and artisans still effort has not been spared to make the work useful to the general reader the book is not intended to obviate the necessity for the assistance of a lawyer such a claim for it would be neither reasonable nor candid but it is hoped that its suggestions may be found useful in preventing mistakes of ignorance or carelessness and thus help to keep its readers out of some of the entanglements of the law and if it shall serve to throw some light upon that subject of paramount importance namely the laws of the land among classes so numerous that they constitute the great mass of the population the author will feel that he has not labored in vain about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

the books in which the law is to be found and how to use and cite them common legal abbreviations

excerpt from the lawyer s reference manual of law books and citations the preparation of this work was begun when the idea first suggested itself but the occupations of a busy life have delayed its completion in 1876 my father richard soule author of a dictionary of english synonymes and other books of reference came to my assistance and had nearly prepared the manuscript for the printer when his death occurred in 1877 his aid was so valuable that the book would have been published in his name if he had lived to carry it through the press about the publisher
