the definitive text and resource for every student of the old testament this thire edition of john bright s classic work is a thorough revision of the text that has become a standard for reference and classroom use

on the history of israel from ancient times to the 1980s

account of israel from its early 19th century ideological beginnings to the most recent peace agreements with egypt jordan and the palestinians

the definitive guide to the history of ancient israel the history of ancient israel covers the epic story of jewish civilisation from its beginnings to the destruction of jerusalem and the temple in ad 70 it deals with israel s relations with the great empires which shaped its development and with the changing internal structure of the jewish state drawing both on excavation and the hebrew bible

an indispensable guide to understanding the israel palestine conflict and how we might yet still find a way out of it ilan pappe is the most original radical and hard hitting of israel s new historians avi shlaim author of three worlds the devastation of 7 october 2023 and the horrors that followed astounded the world but the israel palestine conflict didn t start on 7 october it didn t start in 1967 either when israel occupied the west bank or in 1948 when the state of israel was declared it started in 1882 when the first zionist settlers arrived in what was then ottoman palestine ilan pappe untangles the history of two peoples now sharing one land going back to the founding fathers of zionism pappe expertly takes us through the twists and turns of international policy towards israel palestine palestinian resistance to occupation and the changes taking place in israel itself

grounded in the latest archeological developments victor matthews s a brief history of ancient israel presents a concise history of israel covering the ancestral period conquest and settlement the monarchy and both the exilic and postexilic periods using supplemental figures and insets the author concentrates on providing a cogent and condensed discussion of events he examines historical geography archaeological data and where relevant comparative cultural materials from other ancient near eastern civilizations with an accessible yet high quality introduction a brief history of ancient israel will be of immense value to both students of the old testament and the scholars who teach them

the most comprehensive account of israeli history yet published efraim karsh the sunday telegraph fleeing persecution in europe thousands of jewish immigrants settled in palestine after world war ii renowned historian martin gilbert crafts a riveting account of israel s turbulent history from the birth of the zionist movement under theodor herzl to the unexpected declaration of its statehood in 1948 and through the many wars conflicts treaties negotiations and events that have shaped its past six decades including the six day war the intifada suez and the yom kippur war drawing on a wealth of first hand source materials eyewitness accounts and his own personal and intimate knowledge of the country gilbert weaves a complex narrative that s both gripping and informative and probes both the ideals and realities of modern statehood martin gilbert has left us in his debt not only for a superlative history of israel but also for a restatement of the classic vision of zion in which a middle east without guns is not a bedtime story but an imperative long overdue this is the vision for which yitzhak rabin gave his life this book is tribute to his memory jonathan sacks the times london

a timely and definitive narrative history of israel in the context of the modern jewish experience and the middle east ideal for anyone seeking to understand the roots of the current conflict in gaza written by one of israel s most notable scholars this volume provides a breathtaking history of israel from the origins of the zionist movement in the late 19th century to the present day anita shapira s gripping narrative explores the emergence of zionism in

Europe against the backdrop of relations among Jews, Arabs and Turks and the earliest pioneer settlements in Palestine under Ottoman rule weaving together political, social and cultural developments in Palestine under the British Mandate. Shapira creates a tapestry through which to understand the challenges of Israeli nation building including mass immigration, shifting cultural norms, the politics of war and world diplomacy and the creation of democratic institutions and a civil society. References to contemporary diaries, memoirs and literature bring a human dimension to the story of Israel from its declaration of independence in 1948 through successive decades of waging war, negotiating peace and building a modern state with a vibrant society and culture based on archival sources and the most up to date scholarly research. This authoritative history is a must read for anyone with a passionate interest in Israel and the Middle East. Israel: A History will be the gold standard in the field for years to come.

narrates the complex tale of Israel's people and their modern state established thousands of years after the destruction of the old one against the backdrop of exile, anti-Semitism, Zionism and the Holocaust.

a reexamination of the critical issues surrounding the birth of Israel.

arranged in chronological order, this collection of scholarly essays covers the history of the area from pre-historic times to the current peace negotiations.

the value of peace is universal. The Arab-Israel conflict deserves peace as well. The killings of innocent civilians in Israel and its Arab neighbors must now stop. To every problem there is a solution and this problem is no exception. If all countries of the world will comply with all resolutions passed by the United Nations Organization, it will not only solve the problem of Israel but many other problems as well. Judaism, Christianity and Islam are all religions of peace. They are all based on the same fundamentals. They are also collectively known as Abrahamic religions. All of them strive for the establishment of peace in the world. In this book is contained the ancient and modern history of Israel. An analysis of the beliefs of these religions reveals to us that a solution to the problem of Israel is certainly possible. Islam is also a religion of peace just like Judaism and Christianity and is in no way against the settlement of Jews in Israel in the present time.

In the history of Israel, myths, facts and the Jewish story revealed. Discover a thoughtful and unbiased account of Israel's history. This book provides a deep dive into the events, cultures and narratives that have shaped Israel, offering clarity on a topic often surrounded by controversy and debate. From ancient civilizations to modern-day politics, Israel's history is a tapestry woven with triumphs, tragedies and enduring cultural significance. Uncover the truth behind common misconceptions and delve into the powerful narratives of the Jewish people from their biblical origins to their profound contributions to global history. This comprehensive guide presents Israel's history in an engaging, accessible way, making it the perfect read for scholars, students and history buffs alike. Inside you will discover, gain a clearer understanding of the historical events that continue to influence global politics today, including Israel's founding.

and its pivotal wars explore fresh insights into israel's role in shaping modern civilization from the ancient kingdom of israel to the rise of christianity and islam delve into a balanced non biased exploration of israel's complex past including the babylonian exile roman occupation and the jewish diaspora uncover hidden stories often overshadowed by political narratives such as the influence of the canaanites philistines and other ancient civilizations that shaped israel's development enjoy vivid storytelling backed by thorough research that educates and inspires a deeper connection to israel's culture from its biblical origins to the establishment of the modern state in 1948 and much much more don't miss your chance to explore the true story of israel order your copy and gain a deeper understanding of one of the world's most interesting nations

since its first publication in 1970 this book has established itself as a popular useful text in bible colleges and seminaries the usefulness of the book has been increased by the addition of a chapter on the inter testamental period

the real history of israel and the palestinians no history is so disputed as the history of israel some see israel's creation as a dramatic act of justice for the jewish people others insist that it was a crime against palestine's arabs author david brog untangles the facts from the myths to reveal the truth about the arab israeli conflict in reclaiming israel's history you'll learn how the jewish people have maintained a continual presence in the land of israel for over 3 000 years despite centuries of roman byzantine and muslim persecution how the romans invented the word palestine as a way to sever the connection between the jewish people and their land and how subsequent conquerors doubled down on this strategy how modern jewish immigration to palestine did not displace arabs but instead sparked an arab population boom and the largely untold story of how the leader of palestine's arabs collaborated with the nazis to murder jews in europe before they could reach their ancestral homeland you'll also learn why most of palestine's arabs never identified themselves as palestinians until after the 1967 war the extraordinary lengths to which israel's military goes to protect palestinian civilians and the high price israel's soldiers pay for this morality and how the palestinians have on separate occasions rejected israel's offers of a palestinian state in virtually all of the west bank and gaza brog frankly admits to israel's sins both large and small but notes that in any fair minded analysis these have been far outweighed by israel's commitment to western values including freedom democracy and human rights honest provocative and timely especially given rising anti semitism and the aggressive delegitimization of israel david brog's reclaiming israel's history is the book for every reader who wants to understand what is really happening in the middle east

every school and public library should update its resources on the history of israel with this engagingly written and succinct narrative history from biblical times through 1997 this readable history based on the most recent scholarship provides a chronological narrative that examines the political religious and social components of israel's turbulent history a thorough examination of the events from the six day war of 1967 through the struggle for peace in 1997 is of special interest the work provides a timeline of events in the history of israel biographical sketches of key figures in israeli history and an annotated bibliography of books of interest to students and general readers the prologue gives an overview of the land its government resources and culture the first

few chapters describe the earliest history of the land through the 19th century settlement of european jews seeking to escape persecution and to build a jewish state following the holocaust refugees poured into the region and political and military struggle culminated in the birth of the state of israel in 1948 blumberg an expert on the history of israel then details the years of growth and successive wars with israel s arab neighbors from 1948 through 1973 in an extended discussion he examines the political turbulence within israel from the late 1970s through 1997 israel s relations with its neighbors and the international community and the progress and setbacks in the struggle for peace between israel and the arabs
