from the publisher of the chicago manual of style comes the definitive guide to starting
and running a freelance editing business in a time when editors are seeking greater
flexibility in their work arrangements and schedules even as publishers and other clients
are looking outside for help with tasks from developmental editing to copyediting
freelancing is an increasingly common career option but deciding to go freelance means

balancing the risks with the rewards and understanding the issues involved in running your own business in this book erin brenner former co owner of copyediting com and expert speaker on the business of editorial freelancing covers all you need to know in a single resource from deciding on your services and rates to choosing the best business structure to thinking through your branding and marketing strategies the book helps beginning freelancers get set up and land their first clients but brenner s advice is equally valuable to those who have already been freelancing with detailed coverage of such issues as digital marketing strategies and measurement handling difficult clients and continuing professional development it includes an extensive list of resources for freelancers and it concludes with advice on how to take care of yourself and avoid burnout issues that brenner well understands are central to succeeding as a freelance editor
