consumers not only make rational decisions but also emotional ones research now recognizes the significance of diverse neglected factors such as emotions affect arousal and pleasure in appraisal and has identified processes and behaviors that do not fit with the traditional view of acting as a result of a purely deliberate process consumers behaviors and choices are grounded both in consumer beliefs and judgements and in experiences and emotions individuals more broadly bring their perceptions values feelings and cognitive schemes to bear in interpreting the world in this context unconscious physiological manifestations can offer indications as to how people evaluate filter and react to external stimuli what is expressed by the conscious mind indeed does not represent a full and perfect representation of the actual needs and wishes of individuals understanding consumer behaviors has long been a challenging endeavor due to different variables affecting decision making mechanisms and the difficulty of measuring them it requires indeed a comprehension of both the cognitive information processing mechanisms and of the affective and experiential systems of individuals moreover it demands an appreciation of the rich and deep interplay between cognitive and affective processes understanding consumers emotions can inform practitioners on how to effectively communicate with their target audience whether internal or external in order to elicit attention engagement and positive emotional responses and to build emotional connections human stress engagement cognitive and emotional responses may be taken into account in the development of products and services by understanding consumers responses and experience with them this has a deep impact at the organizational level in terms of marketing strategies putting the consumer at the center of the whole organization this research topic aims to disseminate knowledge on the role of emotions in consumer behavior throughout the purchasing process while also allowing for dialogue between disciplines such as psychology organizational behavior marketing neuroscience bioscience and design authors are encouraged to submit empirical theoretical and systematic review papers on themes including but not limited to the role of emotions in consumer behavior throughout the purchasing process neurophysiological methods to detect consumers emotions affective drivers of choice hedonic

consumption and individual experience characterization classification and measurement of emotions the effect of positive emotions and negative emotions on the appraisal process the role of anticipated and transient emotions in consumer choices customer centric marketing strategies consumers expression of emotions on social media consumer emotions during online service encounters consumer emotions after negative service incidences antecedents to brand love and brand hate consumer emotions in ethical consumption contexts

who comprised the most productive pairs in the history of professional team sports joe montana and jerry rice of the san francisco 49ers michael jordan and scottie pippen of the chicago bulls what about the prolific hockey tandem of wayne gretzky and mark messier and that all time great new york yankees twosome of babe ruth and lou gehrig certainly can t be excluded using various selection criteria including longevity level of statistical compilation impact on one s team and overall place in history the 50 most dynamic duos in sports history attempts to ascertain which twosome truly established itself as the most dominant tandem in the history of the four major professional team sports baseball basketball football and hockey arranged and ranked by sport this work takes an in depth look at the careers of these men including statistics quotes from opposing players and former teammates and career highlights finally all 50 duos are placed in an overall ranking covering every decade since the 1890s this book will find widespread appeal among sports fans of all generations and with photographs of many of the tandems the 50 most dynamic duos in sports history is a wonderful addition to any sports historian s collection

there s so much more to winning in fantasy hockey than drafting sidney crosby and praying for some magic so fantasy hockey standard proudly presents it s first volume of pure hockey pool strategy 60 pages worth inside strategy articles dedicated to roto and keeper leagues goalies rookies and free agency our advanced strategy research uncovers trends relating to veterans and youth player salaries trades and advanced statistics we offer up hardcore draft and auction strategies covering the regular season and playoff pools get ideas for your league from our our fantasy hockey rule book as well our article trade strategy will teach you how to become the shark in the tank the fantasy hockey standard strategy book volume 1 is the end result of four years of strategy writing by our team of fantasy hockey degenerates don t sit down at the draft table without studying these techniques first

this book explores the diverse landscape of sport migration across various sports examining how cultural significance and the global hierarchy shape migration patterns networks and decisions the czech republic boasts a rich sporting heritage that traces back to the sokol movement and has been significantly influenced by the ymca sport migration

continues to increasingly shape the country's sporting culture today focusing on the cultural primary sports of ice hockey and football the secondary sports of basketball and volleyball and the developing sport of baseball this book examines the impacts of migration on athletes national federations teams and fans based on over twenty years of ethnographic research the author employs multiple methodologies to examine this phenomenon of globalization including the historical political economic and sporting system contexts that influence these multi directional global flows each chapter employs different methodologies to analyze migration and its effects providing valuable insights for future researchers

the book focuses on identifies and analyzes various divisions and conferences of four professional sports leagues and their teams historical regular season and postseason performances and also provides a recent financial profile of them while being competitive profitable or unprofitable and well known enterprises the parent sports organizations are the american league and national league in major league baseball american football conference and national football conference in the national football league and the eastern and western conference each in the national basketball association and national hockey league

diamond working directly with the national hockey league and each of the individual teams has created the most comprehensive resource on the sport this edition has complete career data on all active nhl players plus more than 1 000 prospects and 400 photos

an encyclopedia dedicated to hockey that includes entries on the history of the game the rules the teams in the national hockey league the major tournaments and other related topics

hockey used to be canada's game what happened a renowned sports expert details the sellout of a sport canada once dominated to big money u.s. corporatization and enumerates the effects including declining amateur participation and audience size hockey is still canada's most popular spectator sport yet many fans question how organized hockey serves the country of its origin as they watch the nhl expand ever deeper into an indifferent american south taking the best young canadian talent and leaving major canadian markets in quebec the maritimes and the prairies in the cold minor hockey once the pride of smaller communities now serves as a brutal corporate feeder system for the nhl treating underpaid teenagers like chattel often shipping players as young as fourteen far away from their homes and families on short notice neil longley contrasts the current state of the game with the way it was before the expansion era when hockey teams were nurtured and supported at the community level a system still practiced in much of europe in one of the most perceptive

and authoritative analyses yet written on modern hockey history professor longley finds no magic formula for putting heart and local pride back in canada s game but makes a strong case for placing today s corporate system in a more realistic less disneyfied less sanitized context

this edition revised and updated for the 2007 2008 season features an easy to understand expanded format new statistics an index of every retired player since 1917 a detailed breakdown of all the hot prospects and information on every current player photos throughout

how did the professional baseball basketball football and hockey leagues become the most successful sports organizations in the united states jozsa investigates the major leagues histories with unparalleled depth and rigorous economic analysis he marshals relevant data facts statistics that measure the performance of professional sports teams and players the strategies of franchise owners and the loyalties of fans delineating the development maturation and revitalization of the leagues throughout the 20th century he highlights significant events and reforms of the era and discusses the future of sports leagues in the marketplace sports fanatics casual fans professional coaches and players journalists economists administrators and owners will discover a goldmine of information in this unique volume readers will learn about key owners investors coaches managers and players of teams that won divisions conference titles and league championships from the 1950s through the 1990s the book includes information on attendance operating incomes payrolls win loss percentages and the estimated market value of individual teams specific franchise owners are noted for their wealth and success factors the author also predicts that league commissioners franchise owners local business and community leaders and government officials will be forced to bargain in good faith and compromise on the question of whether to use taxpayer money to invest in sports facilities

organized into categories and setup with an easy to use a to z tab format this book is the definitive guide to what s on the internet with over 10 000 site listings que s official internet yellow pages is the must have reference for anybody using the internet features include the most up to date site listings and descriptions to ensure the user has accurate listings to what s on the internet the included cd rom contains a fully searchable electronic version of the book just click on the desired address and you ll instantly be launched to the site hassle free

netsports is the most complete guide to sport sites on the and how to get there available in paperback cover back
