this republished edition of the autobiography of st threse of lisieux the story of a soul includes much but not all of the content of soeur threse of lisieux edited by rev t n taylor all the translated writings and sayings of st threse contained in that book are in this edition including the autobiography as well as counsels and reminiscences letters and selected poems st therese of lisieux wrote this autobiography at the request of her superior in her convent from her own words

with empty hands is an entirely new translation and edition of conrad de meester s brilliant and moving presentation of the life thought and spirituality of st thtrfse of lisieux the author has completely revised and amplified his previous books on the saint in the light of the new thoroughly annotated editipons of her own works and the many recent works of research and commentary that have led him to develop and change some of his interpretations of the saint s life fr de meester asks why and how this young girl who asked to be admitted to the carmel at lisieux and persevered in her vocation to a hidden life in an obscure part of france is not only loved and invoked by millions of people but has become a profound influence on theology spirituality and the missionary apostolate he shows how the intuitions of her faith were achieved by growing from spiritual poverty to spiritual maturity through much suffering and inspite of many crises and revearsals and pays full attention to the psychology of the saint her family influence and her prayer life and faith as a process of extraordinary rich development this book reveals thtrfse as a saint of hope whose constant watchword was my god i love you and as a revolutionary of love through whom god worked and works as a liberating force

over a century ago there lived a carmelite nun th®r se of lisieux although she was young and seemed to have no authority she taught a little way very straight and short which would lead people to perfection others had declared that sanctity was hard to attain but she said that it was easy th®r se maintained that in order to become holy it was not necessary to engage in manifold practices to perform rigorous penances or to receive extraordinary graces what was needed was simply that we acknowledge our nothingness and approach god with love and confidence

sanctity she proclaimed is an interior disposition which makes us humble and little in god's arms conscious of our weakness and trusting even to audacity in the goodness of our father though she did not reveal new truths nor did she teach new means for attaining perfection her doctrine was not a revelation of a new kind of sanctity but a new way of revealing sanctity to us what she teaches flows from the knowledge of god as he is revealed in the gospel she invites us to return to evangelical simplicity the church has endorsed her doctrine at the highest level in 1999 pope john paul ii declared her a doctor of the church in the complete spiritual doctrine of st thérèse of lisieux he presents her teachings in their original beauty simplicity and practicality according to the judgment of the carmelite nuns of lisieux this work represents the pure doctrine of thérèse without deviation since this book first appeared in french in 1958 and in english in 1961 it has established itself as a classic although many fine studies on st thérèse have appeared in more recent years the complete spiritual doctrine of st thérèse of lisieux is still an indispensable guide to the little way

as we become acquainted with the histories of those in whom in long succession god has been pleased to show forth examples of holiness of life it seems as if every phase of human existence had in the history of the church received its consecration as a power to bring men nearer to their maker but there is no limit to the types of sanctity which the creator is pleased to unfold before his creatures to many on reading for the first time the story of sister teresa of the child jesus and of the holy face it came almost as a shock to find a very youthful member of an austere order strictly retired from the world engaged in hidden prayer and mortification appearing before us to reveal to the whole world the wonders of the close intimacy of friendship to which her divine spouse had been pleased to call her certainly the way by which soeur thérèse was led is not the normal life of carmel nor hers the manner whereby most carmelites are called to accomplish the wondrous apostolate of intercession to which their lives are given but no less certain is it that in her particular case her work for god and her apostolate were not to be confined between the walls of her religious home or to be limited by her few years on earth

on reading for the first time the story of sister teresa of the child jesus and of the holy face it came almost as a shock to find a very youthful member of an austere order strictly retired from the world engaged in hidden prayer and mortification appearing before us to reveal to the whole world the wonders of the close intimacy of friendship to which her divine spouse had been
