we can hear urumula naganna s drum roll during the rendition of the sri akammagaru kaviya an oral tradition which is as old as the hills is captured in the book gods heroes and their storytellers do you know the story of how the madiga community came to inherit the right to skin cattle carcass and produce leather articles how are contemporary folk oral literatures connected to the ramayana and the mahabharata there are many such stories and tradition bearers who doggedly go on in spite of the onslaught of the digital media the author here has tried his best in keeping these traditions alive by not only telling the stories but also by living with the story tellers themselves the rich details give us a window to a world which is not only very far away

for our everyday mundane existence but also makes us retrospect on what we are missing out each of the tradition bearers are different and so are their stories and the region to which they belong these are not merely stories but a way of life for these oral narrators who are fast disappearing in today's consumerist landscape the need of the hour is to keep alive these traditions and the tradition bearers

popular religion in village india is overwhelmingly dominated by goddess worship goddesses can be nationally well known like durga or kali or they can be an obscure deity who is only known in a particular rural locale the origins of a goddess can be both ancient with many transitions or amalgamations with other cults having occurred along the way and very recent while some have tribal origins others sprout up overnight due to a vivid dream inventing and reinventing the goddess contemporary iterations of hindu divinities on the move looks at the nature of how and why goddesses are invented and reinvented historically in india and how social hierarchy gender differences and modernity play roles in these emerging religious phenomena
