hugh kearney s classic account of the history of the british isles from pre roman times to the present is distinguished by its treatment of english history as part of a wider history of four nations not only focusing on england it attempts to deal with the histories of wales ireland and scotland in their own terms whilst recognising that they too have political religious and cultural divides this new edition endeavours to recognise and examine contemporary multi ethnic britain and its implications for four nations history making it an invaluable case study for european nationhood of the past and present thoroughly updated throughout to take into account recent social political and cultural changes within britain and examine the rise of multi ethnic britain this revised edition also contains a completely new set of illustrations including sixteen maps

from earliest times to the present day jeremy black explores the rich history of the whole of the british isles and how they have achieved their current identity the third edition of this established concise text has been revised and updated throughout and now contains more on social and cultural history and the british empire

hugh kearney s classic account of the history of the british isles from pre roman times to the present is distinguished by its treatment of english history as part of a wider history of four nations not only focusing on england it attempts to deal with the histories of wales ireland and scotland in their own terms whilst recognising that they too have political religious and cultural divides this new edition endeavours to recognise and examine contemporary multi ethnic britain and its implications for four nations history making it an invaluable case study for european nationhood of the past and present thoroughly updated throughout to take into account recent social

political and cultural changes within Britain and examine the rise of multi ethnic Britain this revised edition also contains a completely new set of illustrations including sixteen maps

choice outstanding academic title 2017 a history of the British Isles is a balanced and integrated political social cultural and religious history of the British Isles in all its complexity exploring the constantly evolving dialogue and relationship between the past and the present a wide range of topics and questions are addressed for each period and territory discussed including England's wars of the roses of the 15th century and their influence on court politics during the 16th century Ireland's rebellion of 1798 the potato famine of the 1840s and the Easter Rising of 1916 the two world wars and the great depression British cultural and social change during the 1960s and the history and future of the British Isles in the present day Kenneth Campbell integrates the histories of England Ireland Scotland and Wales by exploring common themes and drawing on comparative examples while also demonstrating how those histories are different making this a genuinely integrated text Campbell's approach allows readers to appreciate the history of the British Isles not just for its own sake but for the purposes of understanding our current political divisions our world and ourselves

the British Isles have a long tradition of tales of gods heroes and marvels hinting at a mythology once as relevant to the races which settled the islands as the Greek and Roman gods were to the classical world the tales drawn together in this book from a wide range of medieval sources span the centuries from the dawn of Christianity to the age of the Plantagenets the Norse gods which peopled the Anglo Saxon past survive in Beowulf I Chulainn Taliesin and the magician Merlin take shape from Celtic mythology and saints include Helena who brought a piece of the true cross to Britain and Joseph of Arimathea whose staff grew into the Glastonbury Thorn tales of the British Arthur are followed by legends of later heroes including Harold Godwinson and Godiva these figures and many others were part of a familiar national mythology on which Shakespeare drew for Lear Macbeth and Hamlet

creating the famous versions that are known today here the original stories are presented again richard barber's other books include king arthur hero and legend arthurian legends an anthology and the knight and chivalry he is currently working on a study of the legend of the holy grail borders com england and the british isles have a rich and still thriving tradition of myths and legends and this wonderful volume collects together more than thirty of the best from a number of sources an incredible insight into the fascinating yet complex history of the british isles and its peoples those fascinated by mythology will want to add this wonderful book to their collections

in this clear and authoritative introduction to the medieval history of the british isles england ireland scotland and wales are viewed together revealing the similarities and contrasts between the different regions

a visual history of the many peoples who've inhabited and shaped britain from hunter gatherers to celts vikings normans and modern immigrants this atlas covers the history of the british isles from earliest times to the present day the first hunter gatherers who crossed into what would become the united kingdom by the land bridge and later followed by more familiar peoples the celts angles saxons vikings and normans who together would create britain's unique history each of these groups contributed ideas that shaped the lands languages and thoughts at the core of british identity this story is illustrated with 150 full color maps and plans that range across many topics such as agricultural political and industrial revolutions the expansion of the islands peoples across the oceans left a lasting legacy on the world and on britain itself the book shows the fluctuating fortunes of the states by which britain currently identifies itself from an anglo scottish imperium to devolved power independence and the often painful process by which the modern map evolved the forces of history and religion have often divided the islands peoples but dna unites them much more than most would realize as they continue to embrace new cultures arriving in search of refuge opportunity and equality

challenging traditional accounts of what constitutes national history this unique survey of the british isles from pre roman times to the 20th century is distinguished by its stress on the fact that english history forms only part of a broader history of four nations
