leadership is not something one does alone it is an expression of collective community action unified action of leaders and followers who trust enough to jointly achieve mutual goals the task of creating a culture conducive to interactive trust is perhaps the preeminent leadership task this practical guide identifies the key elements leaders need to manipulate to create

such a trust culture in any work environment by learning to shape culture to meet changing needs by learning to be continually responsive to the organization's vision as well as to the needs of a changing follower core the leader can create the situation necessary for any successful organization one where followers can trust others and feel free to work together to gain mutually desired goals

establish the terms and conditions of a leadership contract to ensure the success of your company recent studies show that only 7 percent of employees have trust and confidence in their senior leaders how can we ever get our organizations to succeed if so few employees believe in their senior leaders the leadership contract explains why leadership and specifically leadership culture is the only real differentiator between the organizations that thrive and those that fall behind this book explains how to establish a leadership contract that is fully understood and agreed upon by business leaders to ensure the success of their company the book lays out the four terms and conditions of the leadership contract and enlists leaders in making a conscious decision to lead including the understanding that leadership is a decision entails an obligation is difficult and requires a community designed for top level executives mid level managers front line leaders and emerging leaders the book identifies the shortcomings of current leadership methods and explains how to adopt new policies and mentalities to make you a better leader and ensure business success author vince molinaro ph d cmc is the author of two successful books leadership solutions and the leadership gap and is also a certified management consultant create the contract that ensures your leadership will take your organization to new heights

designed to help you excel at every stage of your leadership path this unique and practical text is organized around a nursing and health care leadership trajectory of three core areas the strategies the personal and the environment the strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions the personal relates to the concepts that you must develop and hone to increase your influence the environment reinforces how you can exercise the strategies and personal factors in this leadership model through assessing the situations in which you find yourself reflection questions in each chapter emphasize the importance of the process being discussed as a strategy for growth and to facilitate active reading ll alert boxes cite examples of actions and statements to avoid ll lineup summaries at the end of each chapter help you create an action plan related to the chapter topic practical

approach features straightforward concise content that addresses only the most relevant information on the subject of each chapter the strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions the personal relates to the concepts that you must develop and hone to increase your influence the environment reinforces how you can exercise the strategies and personal factors in this model through assessing the situations in which you find yourself

an innovative tool for enhancing vision skills throughout 25 years of leadership research bestselling leadership challenge authors jim kouzes and barry posner have consistently found that inspire a shared vision is the practice that differentiates leaders from other credible people they ve also found that for most leaders it is the toughest practice vision is one of those words that evokes ridicule and awe cynicism and mystery confusion and inspiration it s one of the most misunderstood words in the leadership lexicon in the leadership challenge vision is defined as an ideal and unique image of the future for the common good this hands on workbook is designed to help you get more comfortable and stronger at inspiring a shared vision it will guide you through the process of developing a clearer picture of that ideal future and then it will help you to communicate it more effectively to those who can help you implement it in addition the workbook contains sections that will enable you to make your team a more forward thinking group and your organization a more visionary place and because visions are co created and shared there is a section on how to build visionary skills in others following the step by step process outlined in the book you will be able to draft an effective vision statement craft a persuasive vision presentation test the presentation create different versions of the presentation to suit the audience situation seek feedback from your audience and evaluate your vision effectiveness each section contains activities to help you focus on the skills needed to become more adept at looking ahead and creating the workplace and the world you would like to see

this book analyses the determinants behind the openings in party leader selection rules leaders selectorate in 10 western european countries and more than 55 parties between the mid 1980s and the mid 2010s presenting a novel and revealing theoretical and empirical framework it tackles the impact of party change and the personalisation of politics specifically using data coming from the first expert survey on the personalisation of politics in western europe the popes a quantitative analysis is paired with more in depth explorations of two italian parties the italian communist party democratic party of the left the

northern league and the missed opening of their leader selectorate this book highlights the critical importance of studying party leader selection rules against the backdrop of allegedly declining parties and rising party leaders and concludes by placing its findings in a broader discussion about the future of western european party leaders this book will be of key interest to scholars and students of political parties and party systems leadership political elites elections democracy and more widely of western european politics and comparative politics
