out of the reverence that we carry for our foremothers and forefathers we have allowed the misinterpretation of scripture ordinances and theological concepts to be adopted and implemented by the church in consequence of their traditions following these traditions we have found ourselves adrift more than a hundred years off course and out of sync with the spirit of god which has stifled the growth of the church these traditions have yielded many falsehoods and teachings to which our churches have subscribed and disseminated across the expanse of this country of several one that damages the structure of countless churches is the hierarchy of the sexes by examining the original language of the text and defining essential terms while also maintaining the context the implication of a particular verse can change understanding this we have found that the order of god that the church has embraced concerning the relationship between male and female is not the original order of god using the adam and eve narrative the redemptive work of christ on the cross and the atonement of the blood of jesus we have discovered that the original order and the heartbeat of god is equality between the sexes standing with a great appreciation the church should be commended for being the glue that holds our communities our families and even our personal lives together with humility i must offer this charge to the church go after the heartbeat of god rather than embrace what the church has permitted it is high time that the church awakens from its sleep and begins to study to show thyself approved a disciple needing not be ashamed being able to rightly divide the
