this book provides an in depth analysis of what happens when  
 intermediate level learners of a foreign language use a bilingual  
 dictionary when writing dictionaries are frequently promoted to  
 people learning a foreign language nevertheless teachers often talk  
 about their students inability to use dictionaries properly  
 especially when they write and this can be problematic this book  
 paints a comprehensive picture of the differences a dictionary  
 makes and brings out the implications for language learning  
 teaching and testing practices it draws on research in which  
 participants in three studies took writing tests in two test  
 conditions with and without a dictionary they were also asked what  
 they thought about the two test types their performances and  
 opinions were analyzed in a variety of ways conclusions from the  
 data highlight some of the practical issues to be kept in mind if  
 we want to help foreign language learners to use bilingual  
 dictionaries effectively when writing
