examined here are the legal and practical reasons for the inefficiency of the legal framework of creditor protection in Nigeria this is amply justified considering the critical role of credit in the promotion of economic growth and development and also bearing in mind the near calamitous consequences the 2009 financial crisis unleashed not only among Nigerian banks and financial institutions and in the international financial system the latter nearly led to socioeconomic catastrophe in Nigeria as well as globally it is hoped that book is found useful by government policy makers academics corporate financial experts investment bankers and other stakeholders to initiate and implement efficient policy actions to protect creditors in order to sustain the flow of credit the engine of any economy

there is a narrow margin between pass and fail in the notably demanding rapid reporting component of the fellowship of the royal college of radiologists frcr part 2b examination this book provides readers with a comprehensive evaluation of paediatric radiographs not only for those preparing for this examination but for all those who report them in their clinical practice the overriding principle remains the same regardless of background safe radiographic interpretation prospective candidates may have only had limited opportunity to report paediatric imaging which may have been some time before they attempt the examination whilst other resources provide only a limited selection of paediatric radiographs this book is solely dedicated to improving skill and knowledge in paediatric reporting this text has been meticulously crafted to bridge any gaps in knowledge while addressing deficiencies repeatedly identified in the frcr part 2b examiners reports in that many candidates struggle with interpretation of paediatric imaging even for common paediatric pathologies and that knowledge of normal appearances on paediatric plain images was particularly poor in the rapid reporting this new edition has been extensively revised and contains 3 new tests this unrivalled educational resource now comprises nearly 400 practice paediatric radiographs which is unique to the marketplace the range of cases from neonate to adolescent deliver a sound knowledge of common paediatric fracture patterns and pathologies which enables readers to confidently differentiate between normal and abnormal the much lauded explanations accompanying these high quality imaging tests remain robust and accurate allowing candidates to maximise their preparation for all facets of the frcr 2b examination and beyond foreword by professor derek roebuck

the text by a nationally and internationally recognised specialist in company law had over the past 29 years provided the first comprehensive discussion on the subject in uganda currently it has been revised to incorporate references to the companies act 2012 of uganda companies act 2015 of kenya as well as the companies act 2002 of tanzania additionally reference is made to the insolvency and capital markets regulatory legislation and cases in those 3 east african community states to provide an east african regional perspective substantially the text deals with the general features of company law including the law applicable relevance to society and trends and reform including recent provisions evident in legislation on the concept of the one man company the composition of the board of directors the scope of the abolition of the ultra vires and indoor management rules and the issue of shares bearing in mind capital markets legislation following is an analysis of the nature and implications of incorporation promotion memorandum and articles of association and their significance the author then examines corporate finance through allotment of shares public issue of securities debentures and borrowing by the company there follows a presentation of the role of corporate directors and other officials their capacity to bind the company by their acts and their responsibility in the context of accounting audit and duties of directors and their enforcement following the approach of the ugandan companies act 2012 which is based on the new zealand approach this edition of the book limits discussion of reconstruction and winding up of the company to be appropriately handled in texts on insolvency law and ends with a discussion of the meetings and proceedings of the company
