with a history marked by incompetence political maneuvering and secrecy america s most humane execution method is anything but from the beginning of the republic this country has struggled to reconcile its use of capital punishment with the constitution s prohibition of cruel punishment death penalty proponents argue both that it is justifiable as a response to particularly heinous crimes and that it serves to deter others from committing them in the future however since the earliest executions abolitionists have fought against this state sanctioned killing arguing among other things that the methods of execution have frequently been just as gruesome as the crimes meriting their use lethal injection was first introduced in order to quell such objections but as austin sarat shows in this brief history its supporters commitment to painless and humane death has never been certain this book tells the story of lethal injection s earliest iterations in the united states starting with new york state s rejection of that execution method almost a century and half ago sarat recounts lethal injection s return in the late 1970s and offers novel and insightful scrutiny of the new drug protocols that went into effect between 2010 and 2020 drawing on rare data he makes the case that lethal injections during this time only became more unreliable inefficient and more frequently botched beyond his stirring narrative history sarat mounts a comprehensive condemnation of the state level maneuvering in response to such mishaps whereby death penalty states adopted secrecy statutes and adjusted their execution protocols to make it harder to identify and observe lethal injection s flaws what was once touted as america s most humane execution method is now its most unreliable one what was once a model of efficiency in the grim business of state killing is now marked by mayhem the book concludes by critically examining the place of lethal injection and the death penalty writ large today

between the seventeenth and nineteenth centuries western societies abandoned public executions in favor of private punishments primarily confinement in penitentiaries and private executions the transition guided by a reconceptualization of the causes of crime the nature of authority and the purposes of punishment embodied the triumph of new sensibilities and the reconstitution of cultural values throughout the western world this study examines the conflict over capital punishment in the united states and the way it transformed american culture between the revolution and the civil war relating the gradual shift in rituals of punishment and attitudes toward discipline to the emergence of a middle class culture that valued internal restraints and private punishments masur traces the changing configuration of american criminal justice he examines the design of execution day in the revolutionary era as a spectacle of civil and religious order the origins of organized opposition to the death penalty and the invention of the penitentiary the creation of private executions reform organizations commitment to social activism and the competing visions of humanity and society lodged at the core of the debate over capital punishment a fascinating and thoughtful look at a topic that remains of burning interest today rites of execution will attract a wide range of scholarly and general readers

a provocative comprehensive history of american executions from colonial days to the present

lights camera execution cinematic portrayals of capital punishment fills a prominent void in the existing film studies and death penalty literature each chapter focuses on a particular cinematic portrayal of the death penalty in the united states some of the analyzed films are well known hollywood blockbusters such as dead man walking 1995 others are more obscure such as the made for television movie murder in coweta county 1983 by contrasting different portrayals where appropriate and identifying themes common to many of the studied films such as the concept of dignity and the role of race and racial discrimination the volume strengthens the reader s ability to engage in comparative analysis of topics stories and cinematic techniques written by three professors with extensive experience teaching and writing about the death penalty film studies and criminal justice lights camera execution is deliberately designed for both classroom use and general readership

on august 5 1639 gregory peterson a soldier at the fort amsterdam garrison was executed by a firing squad for an unknown act of mutiny peterson was the first person known to be executed in what was to become new york all known executions conducted in or by the estate of new york from 1639 through 1963 are covered here in 1963 the last execution occurred before the state formally abolished the death penalty in 1965 and reinstated it in 1995 arranged chronologically each entry includes the executed person s name and race and the crime for which he or she was sentenced to death this is followed by details of the crime and information on the place and method of execution
