a note from the author bonjour cher reader ever since european history began we brits have been happily engaged in our national pastime annoying the french and the past couple of years have shown that this annoying never stops to give just three examples after a mid atlantic collision between french and british nuclear submarines france s minister of defence seemed to blame the accident on shrimps when french

political superstar dominique strauss kahn was arrested in new york france s establishment was outraged it soon emerged that sexual harassment was regarded as a basic human right by the country s male élite this theme provided so much excellent material that i decided to include it in the plot of my soon to be published novel the merde factor and when david cameron walked out of a eurosummit a french politician accused him of being like a man at a wife swapping party who refuses to bring his own wife yes a very french image and it just one of the many anti anglais insults that came flying across the channel you will find all this and much more in annoying the french encore because for the french the merde never ends yours historically stephen clarke paris august 2012 tremendously entertaining sunday times relentlessly and energetically rude mail on sunday

throughout the 1960s and 1970s ivory coast was touted as an african miracle a poster child for modernization and the ways that western aid and multinational corporations would develop the continent at the same time marxist scholars most notably samir amin described the capitalist activity in ivory coast as empty unsustainable and incapable of bringing real change to the lives of ordinary people to some extent amin s criticisms were validated when in the 1980s the ivorian economy collapsed in african miracle african mirage abou b bamba incorporates economics political science and history to craft a bold transnational study of the development practices and intersecting colonial cultures that continue to shape ivory coast today he considers french american and ivorian development discourses in examining the roles of hydroelectric projects and the sugar coffee and cocoa industries in the country s boom and bust in so doing he brings the agency of ivorians themselves to the fore in a way not often seen in histories of development ultimately he concludes that the maldevelopment evident by the mid 1970s had less to do with the ivory coast s insufficiently modern citizens than with the conflicting missions of french and american interests within the context of an ever globalizing world
