contributors to this book provide an asian women s history from the perspective of gender analysis assessing japanese imperial policy and propaganda in its colonies and occupied territories and particularly its impact on women tackling topics including media travel migration literature and the perceptions of the empire by the colonized the authors present an eclectic history unified by the perspective of gender studies and the spatial and

political lens of the Japanese empire they look at the lives of women in Taiwan, Korea, Manchuria, Mainland China, Micronesia, and Okinawa among others. These women were wives, mothers, writers, migrants, intellectuals, and activists and thus had a very broad range of views and experiences of imperial Japan where women have tended in the past to be studied as objects of the imperial system. The contributors to this book study them as the subject of history while also providing an outside-in perspective on the Japanese empire by other Asians, a vital new perspective for scholars of twentieth-century history of East Asian countries and regions.

This fascinating history reassesses the consequences of Portugal's flourishing private trade with Asia, including increased tensions between the growing urban merchant class and the still dominant landed aristocracy. James C. Boyajian shows how Portuguese Asian commerce formed part of a global trading network that linked not only Europe and Asia but also for the first time Asia, West Africa, Brazil, and Spanish America. He also argues that contrary to previous scholarly opinion, nearly half of the Portuguese Asian trade was controlled by new Christians, descendants of Iberian Jews forcibly converted to Christianity in the 1490s.
