i have chosen not only to write out my personal prophetic words but also to publish them because as we all watch them come to pass in my life they would serve as testimonies of the goodness of the lord i hope that many will be encouraged and inspired as they read these prophecies so that they too will begin to take the word of god spoken to them seriously we are encouraged at life center ministries to always write out our prophetic words so that we can understand them more accurately and thereby pray according to the words that were actually spoken and not what we thought was spoken to us we are to take the word of god spoken over our lives and war with them just like paul instructed timothy when the devil tries to bring into your life something contrary to what god has spoken to you you should stop rebuke the devil and declare what god said instead personal prophecy is one way that the lord speaks to us it as important as having god speak directly to you god s word is powerful and we have to treat it as such once we have judged a word of prophecy by the word of god and determined that it is the word of the lord we must come into agreement with the lord concerning it in order to see it come to pass in our lives many people are yet to come into agreement with the lord concerning the prophetic words he gave them years ago and as a result these words are yet to manifest in their lives agree with the lord concerning your prophetic words the only prophetic words that you must reject are the ones that have been judged to be wrong prophecies by you and the leadership god has placed over you otherwise believe that there is power in the personal prophetic words spoken by god s prophets and ministers over your life amen

there have been a lot of lessons he has learned from years of ministry and surrounding himself with prophetic people bill has been asked many questions o how to see that personal prophecy come to pass bill vincent is releasing this book receiving personal prophecy to answer those questions this book is volume two of bill s prophetic book series you can get volume one increasing your prophetic gift if you would like to learn to flow in a deeper level of prophetic receiving personal prophecy is for everyone who has been around the prophetic and has ever received a prophetic word bill talks about mostly personal prophetic ministry where some one singles you out and prophesies to you personally this also will be a great tool for receiving a word for a church city country or so on this book has the basic guidelines and the strategies for bringing your words to pass

first and foremost personal prophecy must be placed in its proper context personal prophecy is supposed to supplement and confirm god s written word in our lives rather than to replace it all personal prophecy is subject to god s word which means that god will not speak to you in a way that contradicts the scriptural truths found in his written word one of the ways we hear from the lord is through personal prophecy but it is far from

the only way i ve encountered folks who place a larger emphasis on personal prophecy than on everything else as if everything they do requires a prophetic word while some feel that personal prophecy is only used to confirm what god has shown us personally and is not meant to reveal anything new about god s will in our lives others claim that god no longer speaks through personal prophecy remember that god s word says that we should want to prophecy and should not reject prophesying 1 corinthians 12 39 14 1 39 1 thessalonians 5 20 in my perspective one of the most important responsibilities of personal prophecy is to affirm what the lord has previously stated to us personally because many people have difficulty hearing god clearly he will communicate with us through personal prophecy and disclose his desires to us as proven by several scriptural occurrences in both the old and fresh testaments god does reveal new things to us about his intentions for our life through personal prophecy god revealed a calling and a plan for paul s life that he had not previously known about as the apostle paul exemplifies regardless of whether or not stipulations are expressed we must acknowledge that personal prophecy is conditional

personal prophecy can and should be a great blessing from the lord to his church it can also be an effective evangelism tool when used rightly but as with any of the gifts of the spirit it must be cherished and guarded carefully those of us who are releasing prophecy to others must watch over the attitudes of our own hearts so that our words are genuine and pure and those of us who are on the receiving end of a prophetic word must use wisdom in discerning whether it is truly from the lord or not as well as maturity in how we respond to it the spirit filled guide to personal prophecy explains how to discern personal prophetic words which you receive from others and what to do with those words once you ve got them it also gives practical guidelines for how to keep out of trouble when you are prophesying personal words to others
