los problemas del docente una mirada sistémica es una investigación de corte cualitativo sobre el síndrome de burnout realizada por el dr sergio antonio garcía flores quien indagó con estudios de caso de que forma los sistemas del docente podían perjudicar su estabilidad emocional y plantea algunas estrategias para prevenirlo

en el presente libro se analiza con la profundidad que se merecen los presupuestos y fundamentos filosóficos que operan en el trasfondo de los derechos humanos los límites de los derechos humanos y los conflictos en su aplicación y finalmente los derechos jurídicos derivados de los derechos humanos así como los deberes jurídicos correlativos a aquellos

translation studies and humour studies are disciplines that have been long established but have seldom been looked at in conjunction this volume looks at the intersection of the two disciplines as found in the media on television in film and in print from american cable drama to japanese television this collection shows the range and insight of contemporary cross disciplinary approaches to humour and translation featuring a diverse and global range of contributors this is a unique addition to existing literature in translation studies and it will appeal to a wide cross section of scholars and postgraduates

print culture through the ages essays on latin american book history is a compendium of specialized essays by renowned scholars from mexico the united states argentina uruguay france and colombia that focuses on various topics involving the evolution of printing reading publics the publishing process and literary development during periods of political and cultural change in latin america the volume has four primary areas of concern namely labors of the printing press typography and editing books and readers in the colonial period new forms of literary consumption the press and its readers it will be of particular interest to scholars in the areas of literature book history print culture and images

in this book jeremy munday presents advances towards a general theory of evaluation in translator decision making that will be of high importance to translator and interpreter training and to descriptive translation analysis by evaluation the author refers to how a translator's subjective stance manifests itself linguistically in a text in a world where translation and interpreting function as a prism through which opposing personal and political views enter a target culture it is crucial to investigate how such views are processed and sometimes subjectively altered by the translator to this end the book focuses on the translation process rather than the product and strives to identify more precisely those points where the translator is most likely to express judgment or evaluation the translations studied cover a range of languages arabic chinese dutch french german indonesian italian japanese russian spanish and american sign language accompanied by english glosses to facilitate comprehension by readers this is key reading for researchers and postgraduates studying translation theory within translation and interpreting studies
