an outstanding sophisticated introduction to a complex topic this book encourages readers to prioritize kindness towards and dignity for people experiencing homelessness recommended as a first purchase school library journal starred review there are 150 million people experiencing homelessness worldwide and that number is increasing every year homelessness is not a choice yet it exists in almost every community but why are people homeless who are they what can you do in shelter homelessness in our community readers will get answers to these complex questions they II learn about the root causes of homelessness and its effects and what people and organizations around the world are doing to address the problem it shares the personal stories of people who live on the street and the adults and kids who work with them as a former homeless shelter worker author lois peterson encourages young people to approach the issue with knowledge and compassion she dispels some of the myths about homelessness and makes the case for why everyone deserves a safe permanent place to call home

casey ready combines the personal and the political to ask what is neoliberalism how does it harm women and what can be done about it her book looks at how three ywca women s shelters in ontario were affected by the neoliberal policies of mike harris s progressive conservative government and the subsequent new neoliberal policies of dalton mcguinty s liberal government in particular it focuses on how the liberal government built upon its predecessors neoliberal policies to try to control the shelters organizational structures and services and even to neutralize the language used to describe violence against women drawing on interviews with forty one shelter staff clients volunteers and activists shelter in a storm exposes the dangers for women that are embedded in neoliberal policies and reveals the value of revitalizing feminism to counteract this powerful ideology

the storm was inside the house a boy and his mother hide from the rattle of fists on a wall and the thunder of yelling there is a storm inside their house it s time to find a stronger home their first new home is by the water when they find a seashell and press it to their ears they hear the sound of the waves the boy s mother tells him that a seashell always carries its home the sea inside it just like they will carry their home inside them in their heartbeats they

travel from place to place to find stronger and stronger homes relying on each other for support and finding joy and comfort even when they're scared but what about their old house one day the boy's mother says it's time to go back they go home to find their family and friends waiting to welcome them and help make it the strongest house yet finally the boy and his mother won't have to be afraid anymore available in french as une maison solide

would you want to make the world a kinder place get crafting stitch cozy pet beds to donate to animal shelters make colorful care packages for people experiencing homelessness create an uplifting fidget toy for someone who is feeling stressed these fun crafts will help you spread kindness in your home at school in your community and beyond

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1920 edition excerpt four corner posts and any intermediate posts which may be necessary nailing the plates on top of the posts to hold the frame together fig 172 afterward fitting the other posts in place as shown in the sketch we have not yet arrived at the part of the book where we can build as extensive houses as the one shown here the drawing is only inserted at this place because it naturally comes with the use of the cross cut saw you can however without much trouble build a small pole house without the veranda and after you have learned how to build the big log houses you can turn back to this page and try a pole house like fig 171 sawing on an angle fig 174 shows how to saw off poles on the bias as a woman would say or on an angle as a man would say suppose for instance you want to cut the poles to fit the dormer over the veranda shown in fig 171 measure off the height of the middle pole then the distance along the base from the middle pole to the corner at the eaves next fit the poles you are going to use closely together to cover that distance hold them in place by nailing a plank temporarily across the bottom ends then place another plank at the point marked for the height of the middle pole run it down to the bottom plank and nail it temporarily along this line now take hold of one end of the saw as the fellow does in fig 174 and let another boy take the other end of the saw then by working it back and forth along the line you may saw off the protruding ends of the poles proceed in the same manner along the base board you will then have half the dormer poles all nicely tacked together and cut in the right shape so that they may be evenly fitted in place and after they are secured there the marking planks may

the long lost sequel to shelter cover

this book has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations this whole book has been reformatted retyped and designed these books are not made of scanned copies and hence the text is clear and readable

following on from shelter comes the second novel in the fantastic action packed mickey bolitar series from the master of the hook and twist when tragedy strikes close to home teenager mickey bolitar and his loyal new friends sharp witted ema and the ever charming spoon find themselves at the centre of a murder investigation involving their friend rachel now not only does mickey have to continue his quest to uncover the truth about the mysterious death of his father he also needs to figure out what happened to rachel no matter what it takes mickey has always been ready to sacrifice everything to help the people he loves but how can he protect them when he's not even sure who or what he's protecting them from

an insight into the work of shelter is offered in this book it tells the reader of the organisation's aims past and present introduces the people connected with the organisation and takes a

look at shelter s main areas of work
