from the collaborators behind the modern business classic all the devils are  
here comes a damning indictment of american capitalism and the leaders that  
left us brutally unprepared for a global pandemic in 2020 the novel coronavirus  
pandemic made it painfully clear that the u s could not adequately protect its  
citizens millions of americans suffered and over a million died in less than two  
years while government officials blundered prize winning economists  
overlooked devastating trade offs and elites escaped to isolated retreats  
unaffected by and even profiting from the pandemic why and how did america  
in a catastrophically enormous failure become the world leader in covid deaths  
in this page turning economic political and financial history veteran journalists  
bethany mclean and joe nocera offer fresh and provocative answers with laser  
sharp analysis and deep sourcing they investigate both what really happened  
when governments ran out of ppe due to snarled supply chains and the shock  
to the financial system when the world s biggest economy stumbled they zero in  
on the effectiveness of wildly polarized approaches from governor andrew  
cuomo s lockdowns to governor ron desantis s insistence on keeping florida  
open under the guidance of scientist jay bhattacharya and they trace why

thousands died in hollowed out hospital systems and nursing homes run by private equity firms to maximize shareholder value in the tradition of the authors previous landmark exposés the big fail is an expansive insightful account on what the pandemic did to the economy and how american capitalism has jumped the rails and is essential reading to understand where we re going next

from the author of the modern business classic the smartest guys in the room comes a damning indictment of late stage capitalism and the leaders that were brutally unprepared for a global pandemic in 2020 the coronavirus pandemic made it painfully clear that governments across the world could not adequately protect their citizens millions of people suffered and died in just two years while administrations around the globe blundered prize winning economists overlooked devastating trade offs from the collapse of trade and elites escaped to isolated retreats unaffected by and worse even profiting from the worst healthcare crisis to hit humanity in decades in this page turning economic political and financial history veteran journalists bethany mcclean and joseph nocera analyse the american response to the pandemic as a case study to offer fresh and provocative answers with laser sharp reporting and deep sourcing they investigate what really happened when governments ran out of ppe due to snarled supply chains and the shock to the financial system when the world s biggest economies stumbled they zero in on the effectiveness of wildly polarised approaches across states and they trace why thousands died in hollowed out hospital systems and nursing homes run by private equity firms all in the name of maximising shareholder value the big fail is an expansive gripping narrative account on what the pandemic did to one economy and how it forced us to question the fundamental principles of our society
