she thought she d won but the war has only just started when claire emerson imprisoned morok in the camlann fragment of the world it should have been the end of the dark god and of the war between him and the crones but when lucan her protector is accidentally trapped along with the god claire is determined to rescue him she ll have to travel through the treacherous god realm alone to get to him and that s just the first hurdle the bigger problem the magick of an ancient crone is hidden in the fragment and if morok discovers it he ll have enough power to break free and carry out his plan to destroy claire s entire world and all that she loves can claire save lucan and find the crone magic before morok does or will she have to choose between the shifter she s come to love and the power she never asked for in the first place
