sandra smidt takes the reader on a journey through the key concepts of jerome bruner a significant figure in the field of early education whose work has spanned almost a century his wide ranging and innovative principles of early learning and teaching are unpicked here using everyday language and the links between his ideas and those of other key thinkers of the twentieth and twenty first centuries are revealed introducing bruner is the companion volume to introducing vygotsky and is an invaluable work for anyone involved with children in the early years the introduction of bruner's key concepts is followed by discussion of the implications of these for teaching and learning this accessible text is illustrated throughout with examples drawn from real life early years settings and the concepts discussed include how children acquire language how children come to make sense of their world through narrative the significance of play to learning the importance of culture and context the role of memory what should children be taught the spiral

curriculum how should children be taught scaffolding and interaction the book also looks crucially at what those working or involved with young children can learn from bruner and includes a helpful glossary of terminology this fascinating insight in to the life and work of a key figure in early years education is essential reading for anyone concerned with the learning and development of young children

seminar paper from the year 2015 in the subject english language and literature studies literature grade 2 3 language english abstract this term paper is supposed to deal with how love and sex are depicted in brave new world and 1984 and if there are any similarities between them furthermore we will take a brief look at differences and similarities to love and sex in our society what is the attitude towards marriage these days and what is the role of love in all of that after this we will then hopefully be able to identify what love and sex in dystopian fiction means ever since thomas more s utopia love and sex have been a part of dystopian novels in thomas more s times his depictions were ground breaking women were not allowed to marry until they were 18 in the past this was highly unusual since most women married at the age of around 14 furthermore divorce is forbidden which at this point mirrors the time more lived in this clearly influenced all the following writers of dystopian novels they imagine a world that is negatively silhouetted against their own world and since love is a big part of every society it is also a big part in every dystopian society when looking for the most famous dystopian novels on google two that are immediately suggested are brave new world by aldous huxley and 1984 by george orwell both have one thing in common their rather negative and for us rather unusual attitude towards love relationships and sex

when the titanic sank so did the edwardian age that created it in this brilliantly original history garth russell recasts a tragedy we think we know to explore an era of seismic change

social media has played a central role in the digital era for almost a century influencing almost all aspects of life the use of social media in warfare is threatening not only one country but the whole global community is a recent development the famous speech by abu muhammad al adnani on social media inspired the bloody month of ramadan in 2016 and showed the deadly power of social media inspired attacks and what the islamic state is capable of achieving although the terrorist group has lost territory over the last few weeks of combat both in syria and iraq and is on the edge of losing their main capital mosul is still remains a hybrid threat consisting of military powers and an unmatched affinity of using social media as a cyber war weapon is will continue to be a severe danger to the global community this book aims to foster a deeper understanding of the

use of social media for recruiting efforts by the so called islamic state is and to analyse its propaganda methods in order to develop possible countermeasures a special focus will be put on the method of recruitment of young western foreign fighters these individuals are the easiest to recruit for isis and pose the greatest risk to the global community especially in regards to home grown terrorism and so called lone wolf attacks since this area of research is very new and quickly evolving the field still needs extensive research it is difficult to analyse the use of social media content by the islamic state due to limited information access and flow encryption propaganda verification and inconsistency the islamic state is a military threat on the battleground as well as a potential cyber threat for the international community despite these challenging circumstances this book will provide a new theoretical model based on the marketing model of a customer journey in connection with the main principles of storytelling ultimately this research work will try to provide experts with a new and modern approach of analysis as a base for possible counter measures to weaken and combat the current threat posed by the islamic state from the text islamic state terrorism social media propaganda institutions radicalisation
