preface the journey is a christian perspective on life s journey from earth to glory in the journey reverend brenner describes the christian life in three aspects past present and future or beginning continuing and finishing the journey of faith he shows that the christian life is analogous to the history of israel in the old testament broadly speaking israel s history could be summed up in three stages deliverance from egypt the wilderness sojourn and possessing canaan the promised land the author shows how the christian s life similarly may be viewed in three stages redemption from sin s bondage living for christ in a sinful world and reaching our goal which is heaven the hope of all believers his main emphasis is on the second stage appropriately entitled the pilgrimage which is obviously the present time of our journey of living our christian life now in this present evil world reflecting again on israel s history he shows how happy they were to escape egypt but how discouraged and defeated they became during their wilderness journey because of hardships and trials and failed to reach their goal so the author reminds readers who are on this journey of faith that it s not how you start but how you finish and finish depending on what you do and how you do after your start and going forward so run that ye may obtain as 1 corinthians 9 27 says so many other words of admonition are given to remind the christian that he must remain dedicated and determined throughout his journey to reach the goal again listen to the apostle paul in philippians 3 12 14 i follow after this one thing i do reaching forth i press toward the mark for the prize he is focused making the journey is a collaborative effort between the believers and god our faith and his faithfulness the author s aim for this book is to encourage you as you continue on in your journey toward heaven

o god you are my god earnestly i seek you my soul thirsts for you as in a dry and weary land where there is no water psalm 63 1 when you read god is you ll meet god by reading the bible cover to cover

chronologically in a year discovering him through his names titles and character traits one each day tracing basic christian teachings from the old testament through the new testament you ll interact with god through his character as you allow him to grow you spiritually and change your life short honest prayers of praise thanks confession and response practical and soul searching questions that will challenge you to put your knowledge of god into action
