this is volume ii of twenty one in a collection of race class and social structure originally published in 1960 this book is about the place of class and its synonyms status prestige and power in the structure of american society a dominant theme of the book is that classes do exist even though individuals are not chained to these social positions with unequivocal finality

technology which has significantly changed western man s way of life over the past century exerted a powerful influence on american society during the third quarter of the nineteenth century in this study raymond h merritt focuses on the engineering profession in order to describe not only the vital role that engineers played in producing a technological society but also to note the changes they helped to bring about in american education industry professional status world perspectives urban existence and cultural values during the development period of 1850 1875 engineers erected bridges blasted tunnels designed machines improved rivers and harbors developed utilities necessary for urban life and helped to bind the continent together through new systems of transportation and communication as a concomitant to this technological development states merritt they introduced a new set of cultural values that were at once urban and cosmopolitan these cultural values tended to reflect the engineers experience of mobility so much a part of their lives and their commitment to efficiency standardization improved living conditions and a less burdensome life merritt concludes from his study that the rapid growth of the engineering profession was aided greatly by the introduction of new teaching methods which emphasized and

encouraged the solution of immediate problems schools devoted exclusively to the education and training of engineers flourished schools such as rensselaer polytechnic institute and stevens institute of technology moreover business corporations and governments sought the services of the engineers to meet the new technological demands of the day in response they devised methods and materials that went beyond traditional techniques their specialized experiences in planning constructing and supervising the early operation of these facilities brought them into positions of authority in the new business concerns since they often were the only qualified men available for the executive positions of authority for the executive positions of america s earliest large corporations these positions of authority further extended their influence in american society engineers took a positive view of administration developed systems of cost accounting worked out job descriptions defined levels of responsibility and played a major role in industrial consolidation despite their close association with secular materialism merritt notes that many engineers expressed the hope that human peace and happiness would result from technical innovation and that they themselves could devote their technological knowledge executive experience and newly acquired status to solve some of the critical problems of communal life having begun merely as had become the planners and in many cases municipal enterprises which they hoped would turn a land of farms and cities into a social eden

provides the key source materialshistorical and legalfor understanding the relationship of church and state the controversies surrounding aid to parochial schools blue laws school prayer and birth control programs have been central to the ongoing search for the proper boundary between religious and political authority in america this concise volume features chronologically organized selections from such official documents as colonial charters court opinions and legislation along with incisive twentieth century interpretations of the issues they treat historical figures as diverse as john f kennedy perry miller reinhold niebhur and paul blanshard together with contemporary ones illuminate the interrelationships between the legal political and religious structures of american society we encounter controversies every day that concern school vouchers prayer in schools and stadiums religious symbols in public spaces and tax support for faith based social initiatives as well as arguments among advocates of pro choice and pro

life positions these and other issues are at the center of an ongoing search for a means to delineate the interactions among religious and political authorities initially in the united states but increasingly in the rest of the world as well this concise volume presents chronologically organized chapters that include selections from documents like colonial charters opinions of the supreme court and salient legislation along with contemporary commentary and incisive interpretations of the issues by modern scholars figures as divergent as john winthrop john f kennedy and sandra day oconnor speak from these pages as directly as paul blanshard reinhold niebuhr john courtney murray and robert bellah church and state in american history addresses the difficult relationships among the political and religious structures of our society and the emergence of an american solution to the church state problem

this up to date fourth edition of the most important and interesting data on a day by day basis throughout american history includes more than 1 400 new entries with information on a wide variety of subjects both the important matters supreme court decisions war events scientific breakthroughs etc and the lesser known but thought provoking incidents and phenomena societal changes unexpected events that add richness and depth to american history

excerpt from problems in american society some social studies let the light shine into every nook and comer and let every piece be tested for if there is anything out of order it is high time that it be mended and if there is anything which has become obsolete it is high time that it be cast aside for something better criticism will lead in creativeness and after wild vagaries will come the saner mood vast improvements in the form and content of human life will result from this free and intense application of thought to all these questions of poverty crime education economics

and religious co operation it is only by such discussion that we can hope to reach modes of life individual and corporate on a level with our intelligence and one of the most hopeful indications of the hour is this growing interest in all matters which pertain to the problem of living the social impulse which seeks to put a truth to divine uses is as necessary as the scientific spirit which seeks to discover that truth about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of american history it includes a wide range of materials from scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory american history courses to an international view the contributors include well known american history scholars as well as gifted classroom teachers and the book s emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education america in the world and the world in america in their courses the book also includes a views from abroad section that examines problems and strategies for teaching american history to foreign audiences or recent immigrants a comprehensive annotated guide directs teachers to additional print and online resources

includes annual reports
