the imperfect bride by karen van der zee released on jun 24 1992 is available now for purchase

the book concerns female dress in roman life and literature the main focus is on female roman dress as it may have been worn in daily life in rome and in a social environment influenced by roman culture in the time from the beginnings of the republic until the end of

the 2nd century ad there is however a certain surplus as to its contents because many latin texts also talk about mythical greek dress and the largely fictional early roman dress altogether large parts of the history of roman dress are only known to us through what scholars thought about it in classical and late antiquity for this reason this book is not only about real female roman dress but also about the ancient pseudo discourse on early female roman dress which has been taken too seriously by modern scholarship this pseudo discourse has been mixed together with real facts to produce an ahistorical fabric it therefore appeared necessary to break with this old tradition and to take a completely new path the detailed analysis of many texts on female roman dress is the basis of this new handbook meant for philologists historians and archaeologists alike

this new edition of the popular guidebook includes updated prices and the latest wedding trends the hottest online gift registries ratings on bridal gown designers and more than 100 wedding related websites photos and illustrations

this book provides a critical examination of the problem of underage marriage in türkiye through a sociological perspective considering gender perceptions cultural norms and historical and political contexts the author conducts a comprehensive analysis of the problem by focusing on the lived experiences and narratives of women who married before the age of 18 face to face in depth and semi structured interviews were conducted with 22 women who married at a child age to identify the causes and consequences of the marriage of underage girls and to explore how these women perceive both their own identities and the broader issue of child marriage employing critical discourse analysis the author scrutinizes these interviews through the theoretical lenses of gender identity and ideology all while remaining attuned to feminist perspectives these combined methodologies allow the author to reveal the hidden dimensions of the problem examining the feelings stories behaviours and beliefs of real women who have married as children finally constructive solutions are proposed for the elimination of the child marriage problem not only in türkiye but in countries across the world the book will interest those working and studying in an array of fields including sociology gender studies and turkish culture and society as well as anyone with a general interest in the problem of underage marriage

packed with truly practical advice this guide helps long distance lovers locate and screen wedding stores and services from afar and provides a script of screening questions that can be answered over the phone the fields have appeared on good morning america and cbs this morning line drawings
