this is a concise guide to learning beginner japanese and includes an accompanying audio cd this pocket book is intended for people who want to learn the basics of the japanese language quickly whenever you have a few minutes waiting in a hotel lobby riding on a train or whatever open this book and you can learn phrases you ll use again and again during your stay in japan the book is divided into twenty one chapters each covering a specific topic each chapter includes the following three sections words expressions this section introduces words and expressions needed in specific situations vocabulary is presented systematically for quick and easy understanding expressions in context this shows how to use in context the words and expressions given in the preceding section gives you confidence in using new words in original sentences additional words expressions this section enables you to create many new sentences using the patterns just learned there s no need to memorize all the words or phrases presented here concentrate on just those you want to use to

use this book start by reading the first three chapters of the book these introduce many of the most commonly used words and phrases and familiarize you with the basic sentence structures after chapter 3 go straight to any chapter that interests you if you want to know what to say on the phone read chapter 14 if you have to take a train a few minutes with chapter 6 should enable you to reach your destination quickly and conveniently although this book contains over three hundred carefully selected words and expressions there is very little grammar included and there is no need for hours of rote memorization all that is required is a few minutes of your time

bring the authentic cuisine of japan to your own home with these master recipes that highlight the elegant simplicity of japanese cuisine every aspect of japanese cooking is here in an easy to follow format soups rice sushi tempura noodles sukiyaki teriyaki noodles pickles desserts beverages and more in addition to recipes the complete book of japanese cooking includes menu plans and a complete glossary of japanese cooking terms and methods an informative introduction explains the traditions of japanese cuisine and line drawings illustrate precisely how japanese foods are prepared what special ingredients look like and the proper culinary equipment to use in their preparation this is the cookbook for anyone who enjoys the simple fresh and beautifully presented foods of japan and is the ideal introduction for those who have yet to taste its delights

let s study japanese is an introduction to basic japanese that is concise simple and useful from the very first page this japanese language book is written specifically for tourists visiting japan and can elevate readers to a basic speaking level in a very short time with approximately 350 essential words and 130 pages of practical conversational usage this handy japanese language guide provides the basics needed to converse in simple japanese the book concentrates only on key grammar and pronunciation points most of the 26 lessons include exercises that reinforce vocabulary items and grammatical structures phrases and sentences are recycled for long term learning over 200 simple illustrations allow even beginners to express themselves in spoken japanese

this is a book about the structure history and evolution of the japanese language the japanese language is a classic study of one of the world s most widely used but least understood languages emphasizing the richness and complexity of japanese as well as its limitations this fine book provides a lively discussion about the uniqueness of the japanese language the relationship of japanese to other languages is not well understood even by native speakers and professor kindaichi sets out to define it he concludes that japanese is indeed only remotely related to other world languages although it shares many features in common with the languages of mainland asia japanese shares with those languages a rich and detailed vocabulary for natural phenomena and an

unusually complex and accurate way of expressing social relationships moreover its capability to absorb innovations from abroad easily matches or exceeds that of english or german the author after briefly discussing the unique isolation of the japanese language moves on to consider the varieties of ordinary speech dialects jargon sex and role based distinctions and the difference between informal formal and literary language he then examines the structure of japanese pronunciations its rhythm and accent the longest section of the book is devoted to the variety of the vocabulary what can and cannot be said in japanese readers who are just beginning their own study of japanese will find this section especially fascinating for each point is backed by examples from literature and everyday speech kindaichi also investigates the so called vagueness of japanese and traces it to its source the unusual sentence order this book includes the highly debated origins of the japanese language dialects jargon sex and role based distinctions differences between informal formal and literary language structure rhythm and accent of pronunciation what can and cannot be said in japanese

japanese for beginners is a straightforward learning guide which enables beginners to pick up a functional knowledge of spoken japanese very quickly and easily this complete japanese language package has helped many thousands of people learn to speak colloquial japanese it is designed for busy people who wish to pick up a working knowledge of japanese on their own in just a few days rather than a few years japanese for beginners makes this possible by providing a firm grounding in grammar and sentence structure using dialogues and vocabulary that reflect authentic japanese situations and manga comic strips to emphasize contemporary culture and humor key features of japanese for beginners practical japanese phrases help you converse with ease comic strips japanese manga and dialogues bring japanese to life exercises help you to practice speaking and listening drills and exercises are included in each chapter to help you practice the sentence patterns and vocabulary about this new edition japanese for beginners is now expanded to include it social media mobile phone conversations and texting

this is a clear simple and compact guide to colloquial everyday japanese acquire basic proficiency in spoken japanese a streamlined efficient approach perfect for self learners or classroom use includes kanji and kana essential japanese vocabulary teaches all the japanese grammar you need to speak and understand simple spoken japanese it covers only what is essential which provides an efficient way for learners who have limited time to gain basic proficiency and begin to communicate naturally with japanese language speakers intended for both self study and classroom use the guide offers a practical course in colloquial japanese but leaves aside forms that are unnecessary or little used as well as those that are more important for written japanese in short chapters it helps the user understand the logic of japanese grammar while its straightforward explanations and clear

examples make learning as easy as possible the book includes a glossary of grammatical terms and an index as well as appendixes on japanese pronunciation and verb conjugation in a focused and convenient approach essential japanese vocabulary is an indispensable tool for beginners just starting to learn japanese or a handy aid for more experienced learners who wish to refresh their knowledge

japanese for busy people is the most popular japanese language textbook series in the world with over 20 components including texts workbooks cds videos and teacher s manuals it is also one of the most comprehensive now a decade after its first revision the entire series is being redesigned updated and consolidated to meet the needs of 21st century students and businesspeople who want to learn natural spoken japanese as effectively as possible in a limited amount of time the book features not only a sleek new design but also a unit structure that groups thematically linked lessons together making it easier than ever to learn japanese moreover it now comes with a cd containing audio for the dialogues and listening exercises from the text the exercises in the book have also been thoroughly revised to incorporate more comprehension and production tasks many of these exercises are illustrated making for a stimulating learning experience and the purpose of each one is clearly stated this first of three volumes introduces survival japanese the absolute minimum amount of japanese needed to live in japan thus the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first year course in addition the book features notes on japanese culture intended to expand the learner s understanding of japan its customs and people japanese for busy people i is available in two formats romanized and kana the romanized version uses romanized japanese throughout with kana in the opening dialogues of each lesson the kana version exposing students to hiragana and katakana from the very beginning uses only kana the content of the two books is otherwise exactly the same the companion volume japanese for busy people 1 the workbook for the revised 3rd edition contains a variety of illustrated exercises for mastering the basic sentence patterns presented in the main text

volume i dealt with survival japanese for tourists and other short term travelers and newcomers to japan volume ii meanwhile turns to the basics of japanese syntax the book is by no means only about grammar however rather it is designed to help learners consolidate their understanding of syntactical structure through lessons that focus on how to talk about topics relevant to daily life in addition to serving learners continuing from volume i volume ii will benefit those who have already studied beginning japanese to some extent but wish to brush up on syntax major features of japanese for busy people ii revised 3rd edition will enable learners to progress smoothly through the equivalent of the latter half of a typical first year japanese course while gradually building

speaking and listening skills learners approaching mid beginner status often find themselves suddenly faced with syntax and vocabulary much more complex than what they have studied before such grammar and vocabulary do not appear as frequently in everyday conversation as those words and structures they have learned up to this point necessitating that they spend ample time on review moreover learners at this stage are expected to become familiar with verb tense and aspect time expressions conditional clauses and other topics that require them to have a solid grasp of context and speaker intent if they are to fully understand the differences in meaning conveyed by each japanese for busy people ii helps overcome the above obstacles through grammar and content topics carefully selected to be appropriate to learners at this level of japanese proficiency the book is designed so that by practicing talking about each topic learners will gradually and effectively acquire sentence patterns and vocabulary related to that topic like volume i volume ii is organized into several large units each covering topics grouped under a particular theme in this way the book enables learners to achieve a well balanced understanding of grammar sentence structure and context

a first course in japanese 2007 edition has been written specifically for students who are beginning their study of japanese in the last two years of high school the textbook is based on the new syllabus published in 2006 and covers two years of study it has three resources the course book is based around six main topics each topic has a number of units each unit begins with sentence structures followed by explanations of the structures this is then followed by various texts a grammar summary kanji activities cultural notes vocabulary and a number of pictorial charts the workbook contains grammatical exercises listening comprehension composition and kanji writing exercises the cds the cd that comes with the course book covers all the sentence structures and dialogues the workbook cd covers all the listening exercises text and questions

learn japanese with ease this book is for those who want an easy to follow guide that will make learning the japanese language both fun and simple this book is specifically created for travelers students and businesspeople who visit japan whether you're just starting out or are already familiar with the japanese language this book will help you with speaking writing and understanding japanese just some of the questions and topics covered in this book include dialogue so you can communicate in everyday life vocabulary and useful expressions so you can get your point across in crucial or urgent situations such as explaining a condition to a doctor examples so you can understand the japanese language easier and faster grammar so you can understand the structure and patterns of the japanese language japanese culture so you can avoid cultural mistakes while in japan sightseeing spots so you can get the most out of japan and more get the book now so you can start learning japanese

japanese made easy is a basic do it yourself guide to the japanese language and is designed for persons living in or going to japan who have never studied japanese before

every chapters offers insights into one aspect or other of contemporary japanese life newly included are discussions on such topics as dinner entertainment skiing cross culturally male chauvinism as a manifestation of love in marriage and domestic violence ten chapters have been retained from the first edition because they have achieved the status of classics

are you ready to start speaking writing and understanding japanese in minutes are you planning to travel to japan but are worried about the language barrier if you answered yes to the previous questions then this book is for you rather than buying several different resources to teach you the various aspects of the language we present to you the all in one this is the ultimate starting point for any beginner you will learn how to study tips and tricks on how to study and what to study to learn and retain the language quickly basic japanese vocabulary you ll learn useful conversational phrases and the basics of japanese so that you can introduce yourself and ask questions the japanese pronunciation you ll learn the ins and outs of perfect japanese pronunciation you ll learn the common mistakes learners make how to avoid them and the nuances that only native speakers know the 3 japanese writing systems so that you can not only learn to speak the language but also identify road and directional signs in fact we re are ready to turn you into a japanese speaker are you ready to become one get a copy of this book now
