six key scholars present a feminist critique of the theory of human rights the title of this
volume womens voices womens rights might be taken innocently to indicate its contents a set
of lectures given by women on the rights of women on the failure to achieve those rights and
on the reasons and remedies for those failures however it also implies that womens rights are
not simply the extension to all members of the community of the agreed upon rights of men is
to speak in a woman s voice to speak in a different voice each lecture explores the values of
western societies and the sources of the oppression of women within them while many also
provide a political contribution to the argument over the international context in which
womens status seems to be under constant threat the lectures rest on a shared commitment
to the dignity humanity and unique individuality of each human persona tenet that underpins
the human rights movement provides the moral impetus for feminism and indeed is the
motivating force behind amnesty international s campaigning on behalf of political prisoners

world wide ultimately the contributors show us that to speak from the perspective of women to adopt a woman s voice is to enrich our understanding of the rights of all

this volume is an anthology of nonfiction writing by women the text is divided into two sections the first section contains from three to four pieces by fifteen major women writers the second section presents thirty four classic essays from the feminist tradition

the palgrave macmillan amnesty international series illuminates the greatest human rights issues facing the world today from human trafficking to poverty terrorism to freedom of expression this dynamic and accessible series encourages debate about the situation today and the path we took to get here allowing people with many different perspectives to tell their own stories of struggle created equal is a frank and clear sighted introduction to the current state of women s rights globally millions of women throughout the world suffer from violence poverty and denial of their human rights because of their gender by exploring their stories and hearing the views of both advocates for and opponents of women s rights anna horsbrugh porter reveals the real human costs of the violation of these rights among the issues covered in this book are prostitution violence against women abortion rights education slavery pornography

america is poised to lead the 21st century as it led the 20th that will happen because the country is at a tipping point in the battle for its own renewal a renewal that will allow america to be exceptional again our economy is on the move fueled by revolutions in energy immigration innovation big data and advanced manufacturing america s energy independence has set off shockwaves just as important are the social transformations that are making the country ever more racially and culturally diverse younger a home to immigrants and the metropolitan centers that foster a rising economic and cultural dynamism while most other countries struggle profoundly with immigration and religious and racial differences america s on a path to multicultural identity those revolutions in the economy society and culture and are also producing a new american majority that embraces new values and new politics republicans are waging a counter revolution and that is why america looks gridlocked and why the country is turning to democrats to take on the country s growing challenges the economic and social transformations leave people struggling to earn enough and reach the middle class families are under stress government is corrupted by big money the american public is demanding the country address the dark side of our progress and reforms are starting to happen that is why democrats will get to lead an era of reform and renewal comparable to the progressive era that mitigated the excesses of the industrial revolution in this incisive book expert strategist greenberg draws on years of research and polling to illuminate how america is far from being gridlocked and he articulates a powerful vision of how american politics and america can be renewed
