this revealing book synthesizes research from many fields to offer the first complete history of the roles played by weather and climate in american life from colonial times to the present author william b meyer characterizes weather events as neutral phenomena that are inherently neither hazards nor resources but can become either depending on the activities with which they interact meyer documents the ways in which different kinds of weather throughout history have represented hazards and resources not only for such exposed outdoor pursuits as agriculture warfare transportation construction and recreation but for other realms of life ranging from manufacturing to migration to human health he points out that while the weather and climate by themselves have never determined the course of human events their significance as been continuously altered for better and for worse by the evolution of american life

this fascinating book traces the evolution of a cultural pattern as represented by the way in which people through the years have thought and felt about the so called insane many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork

america their america is the personal journal and travelogue from acclaimed poet and playwright j p clark exploring 1960s america as he saw it controversial at the time of its publication for its negative depiction of american society and values america their america captures the raw experiences of nigerian writer j p clark during his time in the u s a
