a watteau abecedario is the listing of paintings that are believed to be authentic works by the artist it includes works that are still extant and those known only through engravings and documentary evidence such as auction catalogues as far as possible each entry includes a discussion of engravings made of the composition by watteau s contemporaries the painting s provenance its exhibition record a selective listing of significant bibliography and a discussion of the watteau drawings with which the painting is associated there are also notes on past scholarship a discussion of approximate dates that have been ascribed to the picture as well as consideration of issues of attribution and iconography this project is called a watteau abecedario rather than the watteau abecedario because it is certain that other scholars will disagree with some of the opinions expressed here also new works will undoubtedly come to light just as more and better information is bound to appear this is the nature of scholarship
