in divine timing understanding god's perfect plan for your life readers are invited to explore the profound concept of god's timing and its impact on our daily lives this insightful book delves into the often overlooked truth that god's timing though mysterious is always perfect through a series of engaging narratives and biblical references the author illuminates the significance of aligning ourselves with god's timeline rather than our own drawing from everyday examples such as the patience required in cooking a meal to perfection the book makes the abstract concept of divine timing tangible and relatable it challenges the reader to consider how impatience and a desire for

immediate gratification can lead us astray using the analogy of a bus stop to illustrate how rushing ahead or lagging behind can disrupt God's plan for us. Divine timing also tackles the difficulties of waiting and the struggle to trust in God's plan, especially when His schedule doesn't align with our expectations. It provides a fresh perspective on waiting periods as not just idle time but as opportunities for growth and preparation for what's to come. The book culminates in a powerful reflection on the biblical story of Jesus and Jerusalem, serving as a stark reminder of the consequences of missing our appointed time with God. It emphasizes the importance of being receptive and responsive to God's guidance, avoiding the pitfalls of haste and impatience. Perfect for anyone seeking spiritual growth or struggling with the concept of divine timing, this book offers a comforting assurance that while we may not always understand God's ways, we can trust that He is working for our good. It's a call to embrace the journey of faith with all its twists and turns, trusting that in the end, we will arrive exactly where we're meant to be, exactly when we're meant to be there.

Without question, one of the hardest things to do is wait for God's timing in this fast-paced world in which we live. Things are set up for maximum speed and efficiency; technology is now moving faster than ever before. Smartphones are so cutting edge that they allow news events to arrive seconds after they actually occur. We are so used to everything moving at lightning speed that we have a very hard time adjusting to the slower pace that God likes to work. Things out-dazed and confused, we look for answers in all the wrong places. Our life becomes directed by fear instead of faith. We grow disheartened; our faith can weaken. If you watch a seed grow, you will not see much change from one day to the next. Although without water and care it will die, faith is no different. There are perfect times in your future when your life will blossom. All that God asks is for you to wait. When you learn to wait for God's timing, your life will overflow with grace. Surely that is not for me, yes it can be. God has a perfect time to turn your life around. No amount of worrying or sleepless nights will change that time. Don't let the negative thoughts make you think otherwise. — Rev. J. Martin

Sometimes life seems to be not going where you want it to. You wanted something so bad but it didn't come to pass. Have you ever had thoughts that God doesn't care? He's not listening? Why did that happen to you? Sometimes things do not happen in our timing but not because God doesn't care. You're His most important possession. Maybe if you look at things from a different perspective and pray for guidance, you could see something better is in store. Maybe God is protecting us physically and financially. Just maybe He is helping us to have faith. These stories of timing I hope will help you see a larger picture and have faith God is working on our behalf, knowing God's timing might not be our timing.

I was born in former communist Bulgaria behind the Iron Curtain during my childhood years. I lived with my family under communist oppression. Then during the 1960s, I prayed to God for five years to help me to leave the country. When I was twenty-three, God heard me and opened the door of opportunity. I passed the border like a suitcase and was able to escape on the Orient Express train to Trieste, Italy. After six months, I moved to America and I lived for eight years in Flushing, New York. Then I got married and moved to Austin, Texas. After the Lord's help and protection over my life, I still didn't see His mercy and unconditional love. I simply lived by the rules of this dark world and I had not heard about the Gospel of Lord Jesus Christ. Hosea 4:6, one day I opened my heart and accepted Jesus as my Lord and Savior, and I repented of my sins. Romans 10:9, He made me a new creation, and I became a child of the Most High. II Corinthians 5:17, only Jesus can bring harmony of mind, soul, and body with God's timing. It is perfect. I hope many readers after reading the nine true stories will see throughout my life how God showed me only by faith in Jesus that all things are possible. Nothing is impossible with God, who can move mountains. Matthew 17:20, I

wrote my sixth book for the glory of the Lord in each story I wrote about God's mercy, loving kindness and patience in my life I had a life full of turmoil and struggles my marriage is still improving I wish things would go my way but God's will and His timing are the best God is never late and always on time His timing is perfect my legacy is to continue to write and glorify the living God

bestselling author Dutch Sheets will inspire and encourage readers with this clear revelatory study of God's appointed times and seasons going beyond the basic definitions of kairos and chronos Sheets brings fresh insight to the subject examining scripture to show how kairos strategic times and chronos general times are not two separate and unrelated seasons in our lives but rather are often simply

different phases of the same process he discusses how God brought about his divine shift in the lives of men and women throughout the Bible and the many ways in which God used these seasons of change to deepen his people's understanding of him

Many times Christians excitedly receive a promise or vision from God. From that moment forward they want to tell the whole world what God is going to do in and through them. It's so exciting to have a promise from God. The Bible says where there is no vision, the people perish (Proverbs 29:18). But when God gives us a promise or vision, it takes time to see it fulfilled. Rarely is the vision for tomorrow or even the next year. It's for a certain time set by God. He shows it to you early, but he still wants to prepare you for the journey ahead. Many Christians get discouraged during this process and walk away from God. But so many people in the Bible like Abraham, Joseph, and David had to go through years of preparation before they saw their visions fulfilled. They waited a long time, probably longer than most of us. Be encouraged and don't let a thing called time destroy you before you even start. God is for you, and what He's promised, He will bring to pass.

Some people have suffered severely for too long because they did not understand their time of divine visitation. It is imperative to understand that God's timing does not synchronize with our chronological time frame. He has made everything beautiful in its time. Also, He has put eternity in their hearts, except that no one can find out the work that God does from beginning to end (Ecclesiastes 3:11). Therefore, understanding God's divine timing, which is a precise time that God sets in His own calendar to intervene in our lives, is a key to dominion and victorious living. The author has provided us with empirical examples of people who experienced the power of God's visitation in their lives. What they did to experience it and how we can live and experience the power of His divine timing at work in our lives. Of the sons of Issachar, who had understanding of the times to know what Israel ought to do, their chiefs were two hundred, and all their brethren were at their command (1 Chronicles 12:32).
