Discover how to navigate the spiral energy patterns of the universe for spiritual advancement and conscious evolution. 2019 Coalition of Visionary Resources Silver Award. Explains how the cycles of the 13 spirals of universal energy and the 20 spirals of earth energy interact on each calendar day as well as provides a Pleiadian perspective on how they influence us and the events in our lives. Offers practical examples of how you can consciously use the energies prevalent on a given day to your personal spiritual benefit. Shares cosmic wisdom teachings from the Pleiadian group known as Laarkmaa. Modern science has finally confirmed an essential component of the Pleiadian teachings: our universe is not linear; it moves in spirals. Human evolution also unfolds in spirals rather than the linear progression we call progress. Sharing the cosmic wisdom teachings they have received from the Pleiadian group known as Laarkmaa, authors Pia Orleane and Cullen Baird Smith reveal a new system of Pleiadian earth energy astrology centered on the spiraling and interconnected movement of universal and earth energies rather than on time. Explain how this new wave of Pleiadian wisdom can support human evolution. The authors identify two major spiral patterns that influence us: the 13 spirals of universal energy that reflect cosmic laws and cosmic truth, and the 20 spirals of earth energy that reflect how humans experience themselves, each other, and their environment. They explain the dominant energy of each of the 13 universal energy spirals and how they cycle in 13-day periods. They detail how these 13 universal energy spirals interact with the cycles of the 20 earth energy spirals on each calendar day, providing a

hundred year ephemeris and a pleiadian perspective with which to understand the events in your life offering practical examples they show how you can consciously use the energies prevalent on a given calendar day to your personal spiritual advantage providing a map to transcend all systems that no longer serve us freeing us to become the enlightened cosmic beings we truly are the authors show how with the wisdom of the pleiadian earth energy system we can each discover our specific gifts work through the challenges of our own shadows and individually and collectively evolve into a higher vibrational species
