naomi zack pioneers a new theory of justice starting from a correction of current injustices

while the present justice paradigm in political philosophy and related fields begins from john rawls s 1970 theory of justice zack insists that what people in reality care about is not justice as an ideal but injustice as a correctable ill for a way to describe real injustice and the society in which it occurs zack resurrect arthur bentley s key insight that government and law or political life is a constant process of contending interest groups throughout society bentley s main idea allows for a resolution of the contradiction between formal legal equality for u s minorities and post civil rights practical inequality just law and unjust practice co exist as a fact of political life the correction of injustice in reality requires applicative justice in a comparison between those who are treated unjustly with those who are treated justly and the design of effective measures to equalize such treatment zack s theory of applicative justice offers a revolutionary reorientation of society s pursuit of justice seeking to undo injustice in a practical and fully achievable way
