read your lord is the most bountiful one who taught by the pen who taught man what he did not know the qur'an believed by muslims to be the word of god was revealed to the prophet muhammad 1400 years ago it is the supreme authority in islam and the living source of all islamic teaching it is a sacred text and a

book of guidance that sets out the creed rituals ethics and laws of the islamic religion it has been one of the most influential books in the history of literature recognized as the greatest literary masterpiece in arabic it has nevertheless remained difficult to understand in its english translations this new translation is written in a contemporary idiom that remains faithful to the original making it easy to read while retaining its powers of eloquence archaisms and cryptic language are avoided and the arabic meaning preserved by respecting the context of the discourse the message of the qur an was directly addressed to all people regardless of class gender or age and this translation is equally accessible to everyone about the series for over 100 years oxford world s classics has made available the widest range of literature from around the globe each affordable volume reflects oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

millions of non muslims know the name of the muslim scripture whether it is written as qur an or quran or koran but for most that is all they know many have fallen victim to the mass of misinformation that circulates about the qur an others may have tried to read the qur an but the text itself is tough to decipher with no sense of context chronology or interpretive history many would be readers of the qur an quickly give up the effort as for those trying to find out what the qur an says about any particular subject or issue they too soon discover that this is not a simple or straightforward undertaking a clear concise introduction to the holy book that guides the lives of 1 6 billion people on our planet this brief volume opens the world of the qur an to interested readers who want to know where this scripture came from and how it has achieved a profound influence in today s world writing in an easy to read question and answer format jane mcauliffe one of the world s foremost scholars of the qur an introduces readers to this important text by discussing its origins structure themes interpretations and what it has to say about a host of critical contemporary issues where did the qur an come from do muslims believe that the qur an is god s own word how do muslims study the qur an what does the qur an say about god about family about ethics about violence by answering the questions that many people have about the qur an and its role in muslim faith this book offers an invaluable resource for anyone who is curious about one of the world s most important faiths

surveying the life aims character and inspiration of muhammad this classic introduction explains the

history form and chronology of the qur an and gives the views of muslim and occidental scholars

this popular introduction by a well known islamic scholar has been updated and expanded offering a balanced portrayal of the qur an and its place in historic and contemporary muslim society features new sections on the qur an and its relationship to democracy science human rights and the role of women contains expanded sections on the qur an in the life cycle of muslims and in islamic ethics and law incorporates additional images and student features including a glossary supported by an accompanying website available on publication hosting a range of additional material including student resources links to important websites news stories and more this title is also available as an etextbook on the coursesmart platform as a wiley desktop edition or via your preferred etextbook vendor etextbooks offer convenience enhanced electronic functionality and flexible pricing options learn more at wiley.com/college/wileyflex

accurate sensitive well annotated english translation of the qur an scotland on sunday

a timely addition to the literature on the holy book of islam this translation provides both the original arabic verse as well as extensive explanations and interpretations in modern english additional commentary is offered on the social and historical aspects of islam as well as the existence and unity of god the concept of resurrection and other theological complexities several special glossaries detailing the names of god and qur an vocabulary are also included

there is much more to the qur an than the selective quotations favoured by islamic fundamentalists this book provides a student friendly guide to the many ways in which the qur an can be read designed for both muslims and western non muslim students it examines the qur an in western scholarship as well as giving an overview of the rich interpretive traditions from the time of the prophet muhammad to the present day this guide is a concise introduction to all aspects of the qur an history understanding and interpretation providing coverage of both pre modern

award winning professor john kaltner s new work offers a general introduction and orientation to the qur an it surveys the origin structure contents study and use of islam s sacred text offering selective rather than comprehensive coverage the work allows for discussion and analysis of specific themes and issues of interest to modern readers following an introduction that describes and situates how the qur an is both

studied and experienced kaltner s book takes up the following themes by chapter to foster a contemporary understanding and appreciation of the qur an the natural environment muslim life gender and sexuality non muslims and the other jihad war and peace and life after death significant passages from the qur an are identified and analyzed with a special focus on how modern scholars both muslim and non muslim understand them kaltner intersperses his book with numerous photographs and textboxes to emphasize and highlight important elements of the qur an its history and its relevance to contemporary life publisher description

dr burton argues that the function of the ascription of the assembly of the qur ān to mohammed s companions was the deliberate exclusion of the prophet

for the muslim faithful the familiar sound of the qur'anic recitation is the predominant and most immediate means of contact with the word of god heard day and night on the street in taxis in shops in mosques and in homes the sound of recitation is far more than the pervasive background music of daily life in the arab world it is the core of religious devotion the sanctioning spirit of much cultural and social life and a valued art form in its own right participation in recitation as reciter or listener is itself an act of worship for the sound is basic to a muslim s sense of religion and invokes a set of meanings transcending the particular occasion for the most part westerners have approached the qur'an much as scriptural scholars have studied the bible as a collection of written texts the art of reciting the qur'an aims at redirecting that focus toward a deeper understanding of the qur'an as a fundamentally oral phenomenon by examining muslim attitudes toward the qur'an the institutions that regulate its recitation and performer audience expectations and interaction kristina nelson a trained arabist and musicologist casts new light on the significance of qur'anic recitation within the world of islam her landmark work is of importance to all scholars and students of the modern middle east as well as ethnomusicologists anthropologists linguists folklorists and religious scholars

neither as christians or jews nor simply as intellectually responsible individuals says hixon have members of western civilization been sensitively educated or even accurately informed about islam as tensions between america and the middle east grow we should promote cross cultural understanding not violence this new edition with a new foreword and commentary by neil douglas klotz allows the reader to drink from the illuminating fountain of the holy qur an the foundation of islamic culture first published in 1988

hixon's poetic meditations on over nine hundred passages from the qur'an show that they are not relics from the past but exist in a timeless present communicating as vividly as when they were first uttered through clear and accessible language hixon illustrates how the teachings of islam can be applied to contemporary everyday life issues such as love relationships justice work and self knowledge in addition to the selections themselves the book contains readable lively introductions to the tradition of islam its basic precepts and what it says about other religions as the first such work in english to be written by a muslim the heart of the qur'an continues to show that islam is among the great wisdom traditions of humanity

the position of the qur'an as the central symbol and reference point of islam cannot be disputed despite this significance the academic study of the qur'an has lagged far behind that of the bible in these studies andrew rippin reflects upon both the principles and the problems of studying the qur'an within the discipline of religious studies he also pursues detailed investigations of the meaning of variants to the text and the history of muslim interpretation of the text in its diversity a newly written introduction lays out some of the general implications of these studies while extensive indexes of qur'anic verses books authors and topics make this research more readily accessible

i grew up reading the qur'an on my mother's lap writes ziauddin sardar it's an experience i share with most muslim children and so it is that our connection to the qur'an is infused with associations of the warmest and most enduring of human bonds in reading the qur'an sardar one of europe's leading public intellectuals laments that for far too many muslims the qur'an he had learned in his mother's lap has become a stick used for ensuring conformity and suppressing dissenting views indeed some find in the qur'an justification for misogyny validation for hatred of others an obsession with dress and mindless ritual rules for running modern states arguing passionately but reasonably against these trends sardar speaks out for a more open less doctrinaire approach to reading the qur'an he contends that the qur'an is not fixed in stone for all time but a dynamic text which every generation must encounter anew and whose relevance and implications for our time we have yet to fully discover the words of the qur'an imply movement the religious life it tells us is not about standing still but always striving to make our life our society the entire world around us a better place for everyone sardar explores the qur'an from a variety of perspectives from traditional exegesis to hermeneutics critical theory and cultural analysis drawing fresh and contemporary lessons from the sacred text he also examines what the qur'an says about such

contemporary topics as power and politics rights of women suicide domestic violence sex homosexuality the veil freedom of expression and evolution ziauddin sardar opens a new window on this remarkable sacred text in a book that will engage all devout muslims and will interest anyone curious about the qur an and islam today

this volume examines the writings of ten muslim intellectuals working in the muslim world and the west who employ contemporary critical methods to understand the qur an their work points to a new trend in muslim interpretation characterised by a direct engagement with the word of god while embracing intellectual modernity in a global context the volume situates and evaluates their work and responses to it among muslim and non muslim audiences

the qur an and its interpreters introduces the western reader to the qur an as muslims have understood it the record of the qur an in the community as a force shaping the life of muslims can be most clearly discerned through the vast literature of interpretation known as tafsir this multivolume work is based on a large number of tafsir sources representing all the major religious schools and stages of muslim history for the last one thousand years it will cover the entire qur an this first volume consists of an introduction to the science and sources of interpretation of the qur an and the first two surahs of the qur an the treatment is comprehensive and thorough while the work is based entirely on primary sources this volume includes a substantial bibliography of works on the qur an in western languages the qur an is the word of god as it was revealed to the prophet muhammad interiorized by the community then shaped into an earthly book whose original archetype is with god dr ayoub concerns himself not with the history of the qur an but with the way it was collected and fixed into an official codex the recension of which has voiced the community's prayers and devotions set its legal norms and moral standards and occupied its best minds for more than thirteen hundred years

this new work presents a concise and accessible introduction to the qur an muhammad abu hamdiyyah first explores the concept of deity including the christian and jewish understanding of god and second discusses the qur anic message from the perspective of modern knowledge this is an ideal textbook for students with no prior knowledge of the complexities of the qur an's message

understanding islam's sacred text is integral to understanding your muslim neighbor cross cultural

missionary and scholar matthew aaron bennett blends the insights of islamic believers secular qur an scholars and missionaries to muslims making the qur an and the christian like no other resource for christian ministry to muslims combining these perspectives in one guide better equips christians to communicate the biblical gospel to friends and neighbors who are adherents to islam both in and out of majority muslim cultures the qur an and the christian addresses issues both simple and profound such as 1 how the qur an came to be including muhammed and the qur an s textual precursors 2 the major themes of the qur an and how these shape the practice of islam 3 the presence of bible characters jews and christians in the qur anic text 4 whether and how a christian should read the qur an 5 avoiding miscommunication with muslims when the qur an and christian teaching seem to overlap this book will help christians learn how to explore islamic faith with missiological wisdom and biblical precision the qur an and the christian will give believers the insight to deepen friendships promote understanding and clarify the biblical gospel among muslim friends and neighbors

millions of non muslims know the name of the muslim scripture whether it is written as qur an or quran or koran but for most that is all they know many have fallen victim to the mass of misinformation that circulates about the qur an others may have tried to read the qur an but the text itself is tough to decipher with no sense of context chronology or interpretive history many would be readers of the qur an quickly give up the effort as for those trying to find out what the qur an says about any particular subject or issue they too soon discover that this is not a simple or straightforward undertaking a clear concise introduction to the holy book that guides the lives of 1 6 billion people on our planet this brief volume opens the world of the qur an to interested readers who want to know where this scripture came from and how it has achieved a profound influence in today s world writing in an easy to read question and answer format jane mcauliffe one of the world s foremost scholars of the qur an introduces readers to this important text by discussing its origins structure themes interpretations and what it has to say about a host of critical contemporary issues where did the qur an come from do muslims believe that the qur an is god s own word how do muslims study the qur an what does the qur an say about god about family about ethics about violence by answering the questions that many people have about the qur an and its role in muslim faith this book offers an invaluable resource for anyone who is curious about one of the world s most important faiths

an introduction to the qur an koran a text that has guided the lives of millions
