amidst the revolutionary euphoria of august 1945 most vietnamese believed that colonialism and war were being left behind in favor of independence and modernization the late september british french coup de force in saigon cast a pall over such assumptions ho chi minh tried to negotiate a mutually advantageous relationship with france but meanwhile told his lieutenants to plan for a war in which the nascent state might have to survive without allies in this landmark study david marr evokes the uncertainty and contingency as well as coherence and momentum of

fast paced events mining recently accessible sources in aix en provence and hanoi marr explains what became the largest most intense mobilization of human resources ever seen in vietnam

the first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts america

vietnam was america s most divisive and unsuccessful foreign war it was also the first to be televised and the first of the modern era fought without military censorship from the earliest days of the kennedy johnson escalation right up to the american withdrawal and even today the media s role in vietnam has continued to be intensely controversial the uncensored war gives a richly detailed account of what americans read and watched about vietnam hallin draws on the complete body of the new york times coverage from 1961 to 1965 a sample of hundreds of television reports from 1965 73 including television coverage filmed by the defense department in the early years of the war and interviews with many of the journalists who reported it to give a powerful critique of the conventional wisdom both conservative and liberal about the media and vietnam far from being a consistent adversary of government policy in vietnam hallin shows the media were closely tied to official perspectives throughout the war though divisions in the government itself and contradictions in its public relations policies caused every administration at certain times to lose its ability to manage the news effectively as for television it neither showed the literal horror of war nor did it play a leading role in the collapse of support it presented a highly idealized picture of the war in the early years and shifted toward a more critical view only after public unhappiness and elite divisions over the war were well advanced

a concise look at how military justice during the vietnam war served the dual purpose of punishing u s solders crimes and infractions while also serving the important role of promoting core american values democracy and rule of law to the vietnamese

the first english language translation of the definitive chronicle of the vietnamese military s view of the vietnam war published for the first time in the united states

unfolding the calley case step by step belknap shows how our system of military justice actually works his dramatic reenactment takes readers through every stage of the trial from pre trial investigations to actual courtroom exchanges among prosecutors defenders witnesses and judges in the process he reveals how a court martial conducted within the public eye transformed a purely legal proceeding into a political

debate about the conduct of the war

the definitive history of modern vietnam lauded as groundbreaking guardian and the best one volume history of modern vietnam in english wall street journal and a finalist for the cundill history prize in vietnam christopher goscha tells the full history of vietnam from antiquity to the present day generations of emperors rebels priests and colonizers left complicated legacies in this remarkable country periods of chinese french and japanese rule reshaped and modernized vietnam but so too did the colonial enterprises of the vietnamese themselves as they extended their influence southward from the red river delta over the centuries numerous kingdoms dynasties and states have ruled over and fought for what is now vietnam the bloody cold war era conflict between ho chi minh s communist backed democratic republic of vietnam and the american backed republic of vietnam was only the most recent instance when war divided and transformed vietnam a major achievement vietnam offers the grand narrative of the country s complex past and the creation of the modern state of vietnam it is the definitive single volume history for anyone seeking to understand vietnam today

the book starts with an introduction to the events that led to france s withdrawal from vietnam and us support of diem s government and goes on to examine how the conflict escalated and the usa became fully involved the book also looks at the pressure for peace on the us home front and how this had an impact on the eventual withdrawal and fallout from the war the role of key figures in the conflict both american presidents and vietnamese leaders is analysed throughout throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips for each examination board provide the opportunity to develop exam skills

the new evidence uncovers a number of behind the scenes plays such as nixon s secret nuclear alert of october 1969 and sheds more light on nixon s goals in vietnam and his and kissinger s strategies of vietnamization the china card and triangular diplomacy the excerpted documents also reveal significant new information about the purposes of the linebacker bombings nixon s manipulation of the pow issue and the conduct of the secret negotiations in paris as well as other key topics events and issues all of these are effectively framed by kimball whose introductions to each document provide historical context

in four decades on historians anthropologists and literary critics examine the legacies

of the second indochina war or what most americans call the vietnam war nearly forty years after the united states finally left vietnam they address matters such as the daunting tasks facing the vietnamese at the war s end including rebuilding a nation and consolidating a socialist revolution while fending off china and the khmer rouge and the vietnam syndrome the cynical frustrated and pessimistic sense that colored america s views of the rest of the world after its humiliating defeat in vietnam the contributors provide unexpected perspectives on agent orange the pow mia controversies the commercial trade relationship between the united states and vietnam and representations of the war and its aftermath produced by artists particularly writers they show how the war has continued to affect not only international relations but also the everyday lives of millions of people around the world most of the contributors take up matters in the united states vietnam or both nations while several utilize transnational analytic frameworks recognizing that the war s legacies shape and are shaped by dynamics that transcend the two countries contributors alex bloom diane niblack fox h bruce franklin walter hixson heonik kwon scott laderman mariam b lam ngo vinh long edwin a martini viet thanh nguyen christina schwenkel charles waugh

the american experience in vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy yet our understanding of this tragic episode remains superficial because then and now we have never grasped the passionate commitment with which the vietnamese clung to and fought over their own competing visions of what vietnam was and what it might become to understand the war we must understand the vietnamese their culture and their ways of looking at the world neil l jamieson after many years of living and working in vietnam has written the book that provides this understanding jamieson paints a portrait of twentieth century vietnam against the background of traditional vietnamese culture he takes us through the saga of modern vietnamese history and western involvement in the country from the coming of the french in 1858 through the vietnam war and its aftermath throughout his analysis he allows the vietnamese both our friends and foes and those who wished to be neither to speak for themselves through poetry fiction essays newspaper editorials and reports of interviews and personal experiences by putting our old and partial perceptions into this new and broader context jamieson provides positive insights that may perhaps ease the lingering pain and doubt resulting from our involvement in vietnam as the united states and vietnam appear poised to embark on a new phase in their relationship jamieson s book is particularly timely the american experience in vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy yet our understanding of

this tragic episode remains superficial because then and now we have never gra

catton treats the diem government on its own terms rather than as an appendage of american policy focusing on the decade from dien bien phu to diem s assassination in 1963 he examines the vietnamese leader s nation building and reform efforts particularly his strategic hamlet program which sought to separate guerrilla insurgents from the peasantry and build grassroots support for his regime catton s evaluation of the collapse of that program offers fresh insights into both diem s limitations as a leader and the ideological and organizational weaknesses of his government while his assessment of the evolution of washington s relations with saigon provides new insight into america s growing involvement in the vietnamese civil war

the signing of the paris agreement in 1973 ended not only america s vietnam war but also richard nixon s best laid plans after years of secret negotiations threats of massive bombing and secret diplomacy designed to shatter strained communist alliances the president had to settle for a peace that fell far short of his original aims

drawing upon both archival research and his own military experiences in vietnam willbanks focuses on military operations from 1969 through 1975 he begins by analyzing the events that led to a change in u s strategy in 1969 and the subsequent initiation of vietnamization he then critiques the implementation of that policy and the combat performance of the south vietnamese army arvn which finally collapsed in 1975

the vietnam war is an outstanding collection of primary documents related to america s conflict in vietnam which includes a balance of original american and vietnamese perspectives providing a uniquely varied range of insights into both american and vietnamese experiences includes substantial non american content including many original english translations of vietnamese authored texts which showcase the diversity and complexity of vietnamese experiences during the war contains original american documents germane to the continuing debates about the causes consequences and morality of the us intervention incorporates personal histories of individual americans and vietnamese introductory headnotes place each document in context features a range of non textual documents including iconic photographs and political cartoons

Yeah, reviewing a ebook **Aztlan And Viet Nam** could go to your close friends listings. This is just one of the solutions for you to be successful.
