an incisive economic and political history of the panama canal on august 15 1914 the panama canal officially opened for business forever changing the face of global trade and military power as well as the role of the united states on the world stage the canal s creation is often seen as an example of u s triumphalism but noel maurer and carlos yu reveal a more complex story examining the canal s influence on panama the united states and the world the big ditch deftly chronicles the economic and political history of the canal from spain s earliest proposals in 1529 through the final handover of the canal to panama on december 31 1999 to the present day the authors show that the canal produced great economic dividends for the first quarter century following its opening despite massive cost overruns and delays relying on geographical advantage and military might the united states captured most of these benefits by the 1970s however when the carter administration negotiated the eventual turnover of the canal back to panama the strategic and economic value of the canal had disappeared and yet contrary to skeptics who believed it was impossible for a fledgling nation plagued by corruption to manage the canal when the panamanians finally had control they switched the canal from a public utility to a for profit corporation ultimately running it better than their northern patrons a remarkable tale the big ditch offers vital lessons about the impact of large scale infrastructure projects american overseas interventions on institutional development and the ability of governments to run companies effectively

in this remarkable and revealing tale noted journalist clymer shows how the decision to give up the panama canal stirred emotions already rubbed raw by the loss of the vietnam war and shaped american politics for years

memories of the way it was is a random collection of my thoughts and memories of my life as an elderly adult i have time to sit for hours and reminisce and remember moments from my past i have time to analyze the past moments of my life and how these past moments have helped shape me into the person that i am in the pages of this book i have written stories about friends and relatives from my past and present i have written a partial accounting of my family's history according to how it was told to me and from my personal observations and experiences i was there in the flesh to live these moments and i am left with precious memories all my life i have had vivid dreams that seemed real

strange and unusual things happen in my dreams strange and unusual things happen in my life i was raised by an extremely superstitious mother who had prophetic dreams my head and heart are filled with memories of so many things in life that my parents told me i have so many memories of my siblings and the things i learned from them the days that i lived are gone forever the way things were will never be that way again these days will only be remembered by those who lived them or from the pages of the books written about those moments from the past those days are gone forever soon these memories will die with those who lived them that is why i have written twelve books full of the way life was in the 1940s up until the present day my mother used to tell me and my siblings stories of her past i wanted my children and grandchildren to know her stories as well as my own stories the next generation will have stories of their own to tell but life as my parents lived it and as i lived it will never be again when i explore my memories of the way things were i believe we were once better people than we are today as i get older i find that a lot of things no longer matter it does not matter to me who my relatives were or where they came from all that matters is that i was born and had the privilege of living the four seasons of my life in god s beautiful world ultimately we are all god s children and brothers and sisters in christ we are all connected through god my book is written in no particular order each chapter is a stand alone story that can be read randomly just as it is written each chapter is a piece of my life and heart i pray that my stories and ramblings will stoke memories and bring pleasure to anyone who reads them i am thankful for the people places and the events that make up the days of my life i am incredibly grateful for the life that god has allowed me to live
