this definitive anthology gathers stories essays memoirs excerpts from novels and poems by more than 130 jewish writers of the past two centuries who worked in the russian language it features writers of the tsarist soviet and post soviet periods both in russia and in the great emigrations representing styles and artistic movements from romantic to postmodern the authors include figures who are not widely known today as well as writers of world renown most of the works appear here for the first time in english or in new translations the editor of the anthology maxim d shraye of boston college is a leading authority on jewish russian literature the selections were chosen not simply on the basis of the author s background but because each work illuminates questions of jewish history status and identity each author is

profiled in an essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context the anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of jewish russian culture this handsome two volume set is organized chronologically the first volume spans the nineteenth century and the first part of the twentieth century and includes the editor s extensive introduction to the jewish russian literary canon the second volume covers the period from the death of stalin to the present and each volume includes a corresponding survey of jewish russian history by john d klier of university college london as well as detailed bibliographies of historical and literary sources

throughout history japanese women have excelled in poetry from the folk songs of the kojiki record of ancient matters compiled in 712 and the court poetry of the 9th to the 14th centuries on through the age of haikai and kanshi to the 19th century into the contemporary period when books of women s poems have created a sensation this anthology presents examples of the work of more than 100 japanese women poets arranged chronologically and of all the major verse forms choka tanka haikai haiku kanshi verse written in chinese and free verse the poems describe not just seasonal changes and the vagaries of love which form the thematic core of traditional japanese poetry but also the devastations of war childbirth conflicts between child rearing and work experiences as refugees experiences as non japanese residents in japan and more sections of poetry open with headnotes and the editor has provided explanations of terms and references for those unfamiliar with the japanese language other useful tools include a glossary of poetic terms a chronology and a bibliography that points the reader toward other works by and about these poets there is no comparable collection available in english students and anyone who appreciates poetry and japanese culture will treasure this magnificent anthology editor and translator hiroaki sato is a past winner of the pen america translator prize and the japan united states friendship commission s 1999 literary translation award

the anthology is a ubiquitous presence in jewish literature arguably its oldest literary genre going back to the bible itself and including nearly all the canonical texts of judaism the mishnah the talmud classical midrash and the prayerbook in the middle ages the anthology became the primary medium in jewish culture for recording stories poems and interpretations of classical texts in modernity the genre is transformed into a decisive instrument for cultural retrieval and re creation especially in works of the zionist project and in modern yiddish and hebrew literature no less importantly the anthology has played an indispensable role in the creation of significant fields of research in jewish studies including hebrew poetry folklore and popular culture this volume is the first book to bring together scholarly and critical essays that investigate the anthological character of these works and what might be called the anthological habit in jewish literary culture the tendency and proclivity for gathering together discrete sometimes conflicting traditions and stories and preserving them side by side as though there were no difference conflict or ambiguity between them indeed the anthology in jewish literature is the first book to recognize this

habit and genre as one of the formative categories in jewish literature and to investigate its manifold roles the seventeen essays each of which focuses on a specific literary work many of them the great classics of jewish tradition consider such questions as what are the many types of anthologies how have anthologists editors even printers of anthologies been creative shapers of jewish tradition and culture what can we learn from their editorial practices how have politics gender and class figured into the making of anthologies what determinative role has the anthology played in creating the jewish canon how has the anthology served especially in the modern period to create and recreate jewish culture this landmark volume will interest educated laypersons as well as scholars in all areas of jewish literature and culture as well as students of world literature and cultural studies
