a second year doctoral student from a midwestern family frye is twenty three when she marries a german professor ten years her senior previously sheltered frye seeks new vistas but instead finds herself confined by the demands of her life wife to a volatile and domineering husband mother of two young daughters and aspiring academic with her dissertation completed she finally realizes that the only way to wrest her identity and freedom from her husband s grip is by leaving him she boards a bus with her two young children to embark on a new life in biting the moon frye powerfully recounts her struggle for independence and a successful career while remaining devoted to her daughters despite the many promises of the women s movement liberation from domestic work and the ability to influence social policy she wrestles with the complex often ambivalent relationship between feminism and motherhood interwoven with literary references from charlotte brontë to virginia woolf to tillie olsen biting the moon invites the reader along on frye s quest for self expression and a life beyond the shadows of others this deeply felt courageous portrait of a woman s life will be intimately familiar to an older generation of mothers and an inspiration to a younger generation

teen readers have always been fascinated by monsters but lately it seems like every other young adult ya book is about vampires zombies or

werewolves these works are controversial since they look at aspects of life and human nature that adults prefer to keep hidden from teenagers but this is also why they are so important they provide a literal example of how ignoring life's hazards won't make them go away and demonstrate that ignorance of danger puts one at greater risk in they suck they bite they eat they kill the psychological meaning of supernatural monsters in young adult fiction joni bodart examines six different monsters vampires shapeshifters zombies unicorns angels and demons in ya literature bodart first discusses the meaning of these monsters in cultures all over the world subsequent chapters explore their history and most important incarnations comparing the same kind of creatures featured in different titles this volume also contains interviews with authors who provide additional insight and information and the bibliography includes a comprehensive list of titles featuring the various monsters analyzing the most important and well written series and titles for teens they suck they bite they eat they kill will be useful for parents teachers and anyone else hoping to understand why teens want to read books in this genre and what some of the benefits of reading them might be

if you'd asked me at 10 what my plans were for the next few years fighting an eating disorder would not have made the list gen's early teenage years were the hardest of her life struggling with anorexia and poor mental health she spent time in and out of hospitals and clinics which also had a huge impact on her family but with treatment and support gen was able to turn her life around changing her behaviours and attitude toward food and her body as well as sharing the insights from gen's own lived experience and challenging stereotypes around eating disorders bite back includes practical tips and activities from gen and her team that helped with recovery answers to frequently asked questions about the cause and treatment of eating disorders advice on how you can support a loved one going through it i hope my story helps you feel seen that it inspires you and is a reminder that there is a beautiful life waiting for you keep fighting

one bite stories for short attention spans stolen moments and busy lives john sheirer's short stories chronicle moments that seem ordinary a middle aged man sends his first text message a simple knee surgery goes in an unexpected direction an innocently friendly wave invites ridicule the neighbors dogs won't stop barking but in the hands of a master storyteller such as john sheirer these moments become far from ordinary sheirer's stories range from hint fiction of a few sentences to flash fiction of one to four pages to a few traditional length stories most of the stories have won awards or been published in print and online literary journals they are often humorous and occasionally poignant always showing the trademark wit and wisdom that has made sheirer's well received memoirs so popular each story from this award winning writing teacher provides surprise delight and an odd take on the world that only sharply written fiction can provide

guerrillas and combative mothers is a narrative of women participating in the armed struggle against apartheid from 1961 to 1994 and their lives in a democratic south africa focusing on their agency commitment beliefs and actions it describes how women got politicised and the decisions and circumstances that led them to join the armed struggle in south africa and exile siphokazi magadla discusses the forms of military training they received the combat activities and their transformation as women and soldiers magadla also talks about their participation in the south african

national defence force led demobilisation process and their contributions to the democratic transformation of the sandf by illuminating the different eras and arenas of their participation this book shows the broadness of the armed struggle against apartheid as a historical truth and as a matter of gender equality and justice for an inclusive and more democratic future
