content analysis is a complex research methodology this book provides an accessible text for upper level undergraduates and graduate students comprising step by step instructions and practical advice

this book analyzes constructions of injustice group identification and participation in news and social media in anti austerity protests within the european union eu since 2008 eu member states have witnessed waves of protests and demonstrations against the adoption of austerity measures and alignment of domestic economies with the prevailing global neoliberal order understanding how the media represents dissent and how it influences public deliberation is of critical importance it is accordingly necessary to explore the strategies deployed and role played by news and social media in representing and perhaps acting upon anti austerity protests in the eurozone crisis this volume undertakes such a critical exploration

the 2016 election has inspired millions of u s citizens and struck panic in the hearts of millions more this book explains the allure of trump examines how trump s success ties into the hopes and fears of many americans and calls into question the limitations of our democratic system across the united states and around the world people are struggling to understand why so many turned to donald trump an individual described as rude and insensitive at best and as racist hateful and ignorant at worst as their champion trump s nomination as the republican presidential candidate and his subsequent election to president of the united states upended many long held assumptions and beliefs about politics such as the inevitable power of superfunding election syndicates and the need for presidential candidates to have governance experience and broad knowledge of domestic and foreign affairs why irrational politics appeals understanding the allure of trump takes a serious scientific look at trump and his politics against the backdrop of modern american society it brings together experts from a variety of psychological and political science fields to answer the mystifying question of why people by the millions would follow a leader who to so many others seems unqualified undiplomatic and in opposition to previously established standards for a national leader readers will gain an understanding of how little a role rationality plays in political choices particularly but not always among citizens of certain socioeconomic backgrounds and why trump s apparently divisive attitudes and prejudices his lack of political correctness and his hubris appeal to so many voters the book also raises questions about our democratic processes and our need for more thoughtful political cultures to ensure that citizens are adequately prepared to make important leadership

decisions that will affect the future of our nation s economy social norms and global safety

the two volume set Inbip 480 and 481 constitutes the refereed proceedings of the 22nd wuhan international conference whiceb 2023 held in wuhan china in may 2023 the 61 full papers presented in these proceedings were carefully reviewed and selected from 350 submissions they focus on innovative research findings solutions and approaches to make the internet a productive and efficient vehicle for global commerce this year s topic is digital empowerment for an intelligent future

the awareness of environment protection is a great achievement of humans an expression of self awareness even though the idea of living while protecting the environment is not new it has never been so widely and deeply practiced by any nations in history like it is today from the late 90s in the last century the surprisingly fast dev
