this travel mystery book starts as an e journal of the six month stay in paris of the mid career well traveled judith and amy amy a rocket scientist from pasadena california is a visiting researcher at the french national laboratories in paris judith her girlfriend and a professor of english at a los angeles area community college is on unpaid leave accompanying her judith with the promise of many visitors and no special projects in mind aside from learning to

speak french has decided to write an e journal to friends and family thus the book is in an epistolary form written pretty much in the present tense as it describes events shortly after they have happened and includes photos judith or friends have taken to illustrate various points in addition to judiths narratives and photos edited versions of replies from her correspondents which judith was surprised to receive but felt needed to be shared in view of her commitment to community are included at the beginning of each installment after the first overall judith appears only a semi aware narrator coming across a bit as an innocent abroad yet at the same time is highly self reflective about language and fills the narrative with word play parenthetical references popular culture references high and low culture jokes and philosophy overall the tone is one of bemused innocence or slight paranoia and benign irony judiths task of having her journal be something besides the ordinary becomes simplified when in time for the first installment she and amy happen to be at the sight of the discovery of a dead body in a canal near the bastille the same evening as the discovery of the body judith and amy are asked by their temporary landlady to assist her in securing the contents of a safe deposit box in zurich to help her ailing aunt as judith and amy are heading to zurich that week to attend the opening of a sculpture exhibit by one of their friends it seems the least they could do to help this older woman the body and the visit to the bank sets off a series of events that embroil judith and amy judiths french tutor and fellow students amys french bosses their french friends and american and other visitors in an apparent drug war since judith is in france illegally and subject to possible deportation amy and judith are forced to rely only on friends and their own ingenuity and interpretive powers to connect the clues and extricate themselves from what increasingly seems to be some sort of misunderstanding on the part of gangsters about their involvement in drug smuggling the solving of the mystery makes up the narrative line of the text but at the same time as judith and amy become increasingly enmeshed in mystery judith has not forgotten that essentially her correspondence is a travel journal so she continues to interweave descriptions and ponderings on the relationships among and meanings of popular culture and customs politics critical theory science religion language class race art architecture as well as adventures and anecdotes from previous travels with amy into the narrative even though judiths paranoia colors her perception and interpretation of events and thus confuses her readers about what is real and what fiction there do seem to be people following judith and amy and the clues judith and amy discover all having to do with fire water earth and air are undoubtedly real judith and amys efforts to follow the clues or to flee the implications of the clues lead them and their friends to a variety of spectacles in paris as well as the parisian canals fireworks at

la defense and la villette a night of fountains and fireworks versailles opera at vaux le viscomte the beach at la baule in france medieval bruges in belgium and london england before they solve the mystery and help justice be done

benny s parisian dream benny a young boy with a passion for culture and cuisine has long harbored a desire to explore the charming streets of paris his fascination with the city began years ago while flipping through travel magazines and watching films that painted an enticing picture of parisian life from the majestic eiffel tower to the tranquil seine river each iconic landmark became a part of his daydreams

there are many guide books to paris but the gorgeously illustrated a paris year is a guide book not just for those walking the streets of the city of light but for the armchair traveller the dreamer the person who has been to paris and wants to reminisce when janice macleod arrived in paris she brought her talents for writing illustration and photography with her she also met christophe who became her reason to stay in paris in a paris year janice charts the moods changes and charms of paris through her words paintings and photos the book is set over the course of a calendar year and it covers food buildings historical figures places of interest and local characters there is hemingway robespierre the author s local boulangerie flea markets what paris is like when the locals come home after la rentrée and a handy cheat sheet to help you distinguish napoleon b from napoleon iii there is macaron day and le bon marché in short all the details of paris that make the city unique and captivating

the amazing adventures of aya pete series tells the stories of a little girl named aya who travels the world with her parents and her buddy pete aya pete visit paris where they try croque monsieur sandwiches and explore the famed landmarks of the city of light aya and pete also learn basic language currency geography and local customs at the end of each story aya collects a souvenir unique to the destination to remind her of their travels the aya pete series explores the world through a child s eye and shares the adventure and excitement of visiting new destinations

join sibling chihuahuas bella and harry as they travel to paris and discover the louvre eiffel tower arc de triomphe and other fascinating places along the way local cuisine such as crepes and basic french phrases are introduced to the reader the adventures of bella harry is a picture book series that chronicles the escapades of a pup named bella her little brother harry and their family who travel the world exploring the sights and sounds of new exciting cities the bella harry series is intended to be an informative interactive and exciting way to

introduce children to travel different countries customs history and landmarks with the educational value of this book cleverly disguised amidst dozens of illustrated pages which are sure to win the hearts of young readers traveling the world with these two cute and cuddly chihuahuas will allow the young reader to gain an appreciation of the world and its cultural diversity happy travels from bella boo and harry too

the book was inspired by the experience of living in paris france she observed the cultural differences between the two cultures as she is an american and was immersed in the french culture she had many hysterical experiences and chose the attitude to embrace and laugh at these experiences
