an anthology of 50 stories about vancouver and environs in the early years of the 20th century these stories grew out of a collection of picture postcards not just any old postcards but particularly appealing real photo cards that seemed to be waiting to have their stories told while some of the images are not uncommon most of the pictures are rare if not one of a kind survivors of the golden age of postcards which encompassed the years between 1900 and 1914 the relatively short period of time when vancouver ended its days as a frontier town and became a significant canadian city

more than fifty specialists have contributed to this new edition of volume 1 of the cambridge bibliography of english literature the design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition the task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
